NEWS RELEASE

# Patrick Industries, Inc. Announces Increase to Regular Quarterly Cash Dividend and Replenished Share Repurchase Authorization

ELKHART, IN, November 13, 2026 – Patrick Industries, Inc. (NASDAQ: PATK) ("Patrick" or the "Company"), today announced that on November 11, 2026, its Board of Directors (the "Board") approved an increase in the amount of its quarterly cash dividend on its common stock to $0.52 per share from $0.47 per share. The dividend is payable on December 7, 2026, to shareholders of record at the close of business on November 23, 2026. Additionally, the Board authorized a replenishment to the amount of the Company's common stock that may be acquired over the next 24 months under the current stock repurchase program to $200.0 million, including the $61.9 million remaining under the previous authorization.

"The increase in our quarterly dividend and renewed share repurchase authorization are grounded in the performance of Patrick's business today: our disciplined capital allocation strategy, the cash our business generates, and our solid balance sheet," said Andy Nemeth, Chief Executive Officer of Patrick. "Since initiating our quarterly dividend in 2019, we have raised it each year and have been active with share repurchases, deploying $106.1 million in the first nine months of 2026. In addition to returning capital to shareholders, our cash generation through the cycle enables investment in our business through organic initiatives and strategic M&A, which we expect to remain a priority. Our commitment to Patrick's shareholders remains steadfast, and the dividend increase and renewed authorization reflect our continued confidence in the long-term earnings power of the business."

As previously announced, on June 30, 2026, Patrick entered into an all-stock merger agreement (the "Agreement") with LCI Industries. In accordance with the operating covenants set forth in the Agreement, the Company is currently restricted from repurchasing shares of its common stock and expects such restrictions to remain in place while the Agreement remains in effect.
