PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 15, 2003

This Proxy Statement is being mailed to shareholders of Patrick Industries, Inc. (the "Company") on or about April 11, 2003, and is furnished in connection with the Board of Directors' solicitation of proxies for the Annual Meeting of Shareholders to be held on May 15, 2003 for the purpose of considering and acting upon the matters specified in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. If the form of proxy which accompanies this Proxy Statement is executed and returned, it may be revoked by the person giving it at any time prior to the voting thereof by written notice to the Secretary, by delivery of a later dated proxy or by requesting to vote in person at the meeting. Additional solicitations, in person or by telephone or telegraph, may be made by certain directors, officers and employees of the Company without additional compensation. Expenses incurred in the solicitation of proxies, including postage, printing and handling, and actual expenses incurred by brokerage houses, custodians, nominees, and fiduciaries in forwarding documents to beneficial owners, will be paid by the Company.

The Annual Report to shareholders for the year ended December 31, 2002, accompanies this Proxy Statement. Additional copies of the Annual Report may be obtained by writing the Secretary of the Company.

VOTING INFORMATION

Each shareholder is entitled to one vote for each share of the Company's Common Stock held as of the record date. For purposes of the meeting, a quorum means a majority of the outstanding shares. As of the close of business on March 14, 2003, the record date for shareholders entitled to vote at the annual meeting, there were outstanding 4,584,261 shares of Common Stock, entitled to one vote each. In determining whether a quorum exists at the meeting, all shares represented in person or by proxy will be counted. A shareholder may, with respect to the election of directors, (i) vote for the election of all named director nominees, (ii) withhold authority to vote for all named director nominees or (iii) vote for the election of all named director nominees other than any nominee with respect to whom the shareholder withholds authority to vote by so indicating in the appropriate space on the proxy. Proxies properly executed and received by the Company prior to the meeting and not revoked will be voted as directed therein on all matters presented at the meeting. In the absence of a specific direction from the shareholder, proxies will be voted for the election of all named director nominees.

The Directors are elected by a plurality of the votes cast by shares present in person or by proxy at the Annual Meeting and entitled to vote. Withholding authority to vote in the election of Directors will have no effect

on that matter. Any other matter which may properly come before the meeting may be approved by a majority of the votes cast at a meeting at which a quorum is present. Broker non-votes will have no effect on any matter at the Annual Meeting.

The Board of Directors knows of no other matter which may come up for action at the meeting. However, if any other matter properly comes before the meeting, the persons named in the proxy form enclosed will vote in accordance with their judgment upon such matter.

Shareholder proposals for inclusion in proxy materials for the next Annual Meeting should be addressed to the Company's Secretary, P.O. Box 638, Elkhart, Indiana 46515, and must be received no later than December 12, 2003. In addition, the Company's By-laws require notice of any other business to be brought before a meeting by a shareholder (but not included in the proxy statement) to be delivered to the Company's Secretary, together with certain prescribed information, not less than 20 nor more than 50 days prior to such meeting. Likewise, the Articles of Incorporation and By-laws require that shareholder nominations to the Board of Directors be delivered to the Secretary, together with certain prescribed information, not less than 20 nor more than 50 days prior to a meeting at which directors are to be elected.

It is intended that the proxies will be voted for the nominees listed below, unless otherwise indicated on the proxy form. It is expected that these nominees will serve, but, if for any unforeseen cause any such nominee should decline or be unable to serve, the proxies will be voted to fill any vacancy so arising in accordance with the discretionary authority of the persons named in the proxies.

BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors has an Audit Committee comprised of Terrence D. Brennan, Walter E. Wells, John H. McDermott, Robert C. Timmins, and Larry D. Renbarger who are not employees of the Company. The Audit Committee's responsibilities include recommending to the Board of Directors the independent accountants to be employed for the purpose of conducting the annual examination of the Company's financial statements, discussing with the independent accountants the scope of their examination, reviewing the Company's financial statements and the independent accountants' report thereon with Company personnel and the independent accountants, and inviting the recommendations of the independent accountants regarding internal controls and other matters. All of the members of the Audit Committee are independent as defined in the Nasdaq listing standards. The Audit Committee met six times in 2002.

The Board of Directors also has a Stock Option Committee, comprised of John H. McDermott, Terrence D. Brennan, Walter E. Wells, Robert C. Timmins, and Larry D. Renbarger. The Stock Option Committee met three times in 2002.

The Board of Directors also has a Compensation Committee which met four times in 2002 and their actions are described on the following pages of this Proxy Statement.

The Board of Directors had four regular meetings and one telephonic meeting in 2002 and all directors attended at least four meetings. Non-employee directors are paid an annual retainer of \$5,000, \$1,000 for each board meeting they attend, and \$1,000 for each committee meeting that they attend with a maximum of \$2,000 per combined event. Employee directors receive no compensation as such. On an annual basis in May, each non-employee director is automatically granted a restricted stock award for 3,000 shares of the Company's Common Stock which will vest upon such director's continued service as a member of the Board of Directors for two years or earlier upon certain events.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This report of the Compensation Committee and the following Performance Graph shall not be deemed incorporated by reference by any general statement

incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

OVERVIEW

The Committee policy is to design compensation programs for salaries, incentive bonus programs, other benefits, and long-term incentive programs for all key executives, including the officers named in the Summary Compensation Table. The goals and objectives of the Committee are to attract and retain top quality management employees and ensure that an appropriate relationship exists between executive pay and the creation of shareholder value. The criteria used to determine the compensation of the Chief Executive Officer will also be used in determining compensation for the other officers. The Committee will also receive the recommendation of the Chief Executive Officer regarding the compensation of the other officers.

Federal tax law imposes a \$1 million limit on the tax deduction for certain executive compensation payments. Because the compensation paid to any executive office is significantly below the \$1 million threshold, the Compensation Committee has not yet had to address the issues relative thereto.

SALARIES

The executive salaries are reviewed annually. The Committee sets executive salaries based on competitive market levels, experience, individual and company performance, levels of responsibility, and pay practices of other companies relating to executives of similar responsibility. The Committee considered the compensation levels of executives at comparable companies and fixed the compensation for the CEO and other executive officers at levels approximating the midrange of such companies. The Committee includes in its consideration comparable companies listed in the CRSP Index for lumber and wood products and other in building products industries. See "Performance Graph."

ANNUAL INCENTIVE

The Company provides an annual bonus plan for executive officers that gives them the opportunity to earn additional compensation based on the performance of the Company. The Chief Executive Officer and the other officers share in this program to achieve certain bonus amounts based on various levels of profitability of the Company.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

David D. Lung is President and Chief Executive Officer of the Company. David D. Lung did not participate in the final decisions with respect to his compensation. John H. McDermott is of counsel to the Chicago, Illinois law firm of McDermott, Will & Emery which provides various legal services to the Company.

CERTAIN TRANSACTIONS

The Company leased a distribution warehouse and various facilities for its manufacturing operations from Mervin D. Lung, the Company's Chairman Emeritus, until May 2002 when it was purchased from Mervin D. Lung for \$2,000,000. The Company also leases two buildings from Mr. Lung used for distribution and manufacturing, under an agreement expiring on September 30, 2004, with an option to renew for five years. The agreement provides for monthly rental of \$25,029, and the payment of property taxes and insurance premiums on the property. The Company also leases two manufacturing facilities from Mr. Lung under agreements that expire on March 31, 2004 with options to renew for three years. The agreements provide for monthly rentals of \$11,421, and

the payment of property taxes and insurance premiums on the property. The Company also leases three manufacturing facilities from Mr. Lung under agreements that expire on July 31, 2004, August 31, 2003, and October 31, 2003 with options to renew for three years. The agreements provide for monthly rentals of \$25,680, and the payment for property taxes and insurance premiums on the property. The Company also leases an aircraft from Mr. Lung under an agreement that expires on October 31, 2004. The agreement provides for monthly rentals of \$10,600, and the payment of insurance premiums and maintenance on the aircraft.

Mr. Lung owns a building supply firm which does not serve the Manufactured Housing and Recreational Vehicle industries. The Company purchases certain specialty items from and sells products to such firm. During the year ended

December 31, 2002, purchases from such firm totaled \$78,177 and sales to such firm totaled \$32,406.

The Company believes that the terms of each of the above transactions are at least as favorable as those which could have been obtained from unrelated parties.

AUDIT COMMITTEE REPORT

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter adopted by the Board of Directors, include providing oversight to the Company's financial reporting process through periodic meetings with the Company's independent auditors, principal accounting officer, and management to review accounting, auditing, internal controls, and financial reporting matters. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent auditors.

We have reviewed and discussed with senior management the Company's audited financial statements included in the 2002 Annual Report to Shareholders. Management has confirmed to us that such financial statements (i) have been prepared with integrity and objectivity and are the responsibility of management and, (ii) have been prepared in conformity with generally accepted accounting principles.

We have discussed with McGladrey & Pullen, LLP, our independent auditors, the matters required to be discussed by SAS 61 (Communications with Audit Committee). SAS 61 requires our independent auditors to provide us with additional information regarding the scope and results of their audit of the Company's financial statements, including with respect to (i) their responsibility under generally accepted auditing standards, (ii) significant accounting policies, (iii) management judgements and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

We have received from McGladrey & Pullen, LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between McGladrey & Pullen, LLP and the Company that in their professional judgment may reasonably be thought to bear on independence. McGladrey & Pullen, LLP has discussed its independence with us, and has confirmed in such letter that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

Based on the review and discussions described above with respect to the Company's audited financial statements included in the Company's 2002 Annual Report to Shareholders, we have recommended to the Board of Directors that such financial statements be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

As specified in the Audit Committee Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles. That is the responsibility of management and the Company's independent auditors. In giving our recommendation to the Board of Directors, we have relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles, and (ii) the report of the Company's independent auditors with respect to such financial statements.
