PROXY STATEMENT

Annual Meeting of Shareholders

To Be Held May 14, 2008

This Proxy Statement is being mailed to shareholders of Patrick Industries, Inc. (the "Company") on or about April 21, 2008, and is furnished in connection with the Board of Directors' (the "Board") solicitation of proxies for the Annual Meeting of Shareholders to be held on May 14, 2008 (the "Annual Meeting") for the purpose of considering and acting upon the matters specified in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. If the form of proxy which accompanies this Proxy Statement is executed and returned, or is voted by Internet or by telephone, it may be revoked by the person giving it at any time prior to the voting thereof by written notice to the Secretary, by delivery of a later dated proxy, or by requesting to vote in person at the meeting. Additional solicitations, in person or by telephone or otherwise, may be made by certain directors, officers and employees of the Company without additional compensation. Expenses incurred in the solicitation of proxies, including postage, printing and handling, and actual expenses incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding documents to beneficial owners, will be paid by the Company.

The Annual Report to Shareholders for the year ended December 31, 2007 accompanies this Proxy Statement. Additional copies of the Annual Report may be obtained by writing the Secretary of the Company.

VOTING INFORMATION

Each shareholder is entitled to one vote for each share of our common stock held as of the record date. For purposes of the meeting, a quorum means a majority of the outstanding shares. As of the close of business on March 28, 2008, the record date for shareholders entitled to vote at the Annual Meeting, there were outstanding 7,144,118 shares of common stock entitled to one vote each. In determining whether a quorum exists at the meeting, all shares represented in person or by proxy will be counted. A shareholder may, with respect to the election of directors, (i) vote for the election of all named director nominees, (ii) withhold authority to vote for all named director nominees, or (iii) vote for the election of all named director nominees other than any nominee with respect to whom the shareholder withholds authority to vote by so indicating in the appropriate space on the proxy. With respect to any other proposal, a shareholder may vote for, against or abstain. Proxies properly executed and received by us prior to the meeting and not revoked will be voted as directed therein on all matters presented at the meeting. In the absence of a specific direction from the shareholder, proxies will be voted for the election of all named director nominees.

A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote on the non-routine matter. Broker non-votes and abstentions will be included in the determination of the number of common shares present at our Annual Meeting for quorum purposes, but will not be counted as votes cast on any matter presented at our Annual Meeting, except with respect to Proposal 1.

Proposal 1 – a proposal to amend our Articles of Incorporation to delete Article IX of the Articles and eliminate the classified board and the requirement of a minimum of nine members on the Board – requires the affirmative vote of the holders of a majority of the stock entitled to vote. Since Proposal 1 requires the affirmative vote of the holders of a majority of the stock entitled to vote, broker non-votes and abstentions will count as a vote against Proposal 1.

Under Proposal 2, the directors are elected by a plurality of the votes cast by shares present in person or by proxy at the Annual Meeting and entitled to vote. Consequently, withholding authority to vote in the election of directors will have no effect on the election of directors. Under the rules and regulations of the primary trading markets applicable to most brokers, the election of directors is a routine matter on which brokers have the discretion to vote if instructions are not received from the client in a timely manner. Broker non-votes and abstentions will have no effect on the election of directors.

Proposals 3 through 5 in this Proxy Statement require the affirmative vote of a majority of the votes cast,

provided a quorum (50% of the outstanding shares of common stock) is present as required under Indiana law. Broker non-votes and abstentions will have no effect on Proposals 3 through 5.

The Board knows of no other matter which may come up for action at the Annual Meeting. However, if any other matter properly comes before the Annual Meeting, the persons named in the proxy form enclosed will vote in accordance with their judgment upon such matter.

Shareholder proposals for inclusion in proxy materials for the next Annual Meeting should be addressed to the Company's Secretary, P.O. Box 638, Elkhart, Indiana 46515-0638, and must be received no later than December 22, 2008. In addition, our By-laws require notice of any other business to be brought before a meeting by a shareholder (but not included in the proxy statement) to be delivered, in writing, to the Company's Secretary, together with certain prescribed information, not less than 90 days nor more than 110 days prior to the first anniversary of the preceding year's annual meeting. Likewise, the Articles of Incorporation and By-laws require that shareholder nominations to the Board be delivered to the Secretary, together with certain prescribed information in accordance with the procedures for bringing business before an annual meeting at which directors are to be elected.

PROPOSAL 1: TO AMEND THE ARTICLES OF INCORPORATION TO PROVIDE FOR THE ANNUAL ELECTION OF ALL DIRECTORS

The Board has adopted a proposal, subject to the approval of our shareholders, to amend our Articles of Incorporation ("Articles") by deleting Article IX, which will, among other things, eliminate the classification of the Board, resulting in the annual election of all directors, and will eliminate the requirement of a minimum number of directors. The text of the current Article IX is attached to this Proxy Statement as Appendix A. Approval of the proposed amendment to the Articles requires the affirmative vote of the holders of not less than a majority of the total voting power of all outstanding shares of voting stock of the Company.

Reasons for Proposed Amendment

The Board is currently composed of nine members divided or "classified" into three classes, with three directors in a class standing for election to a three-year term at each annual meeting of shareholders. Article IX also provides that the number of directors shall not be less than nine. This proposal, if adopted, would amend the Articles to eliminate the classification structure of the Board and thereby provide for the annual election of all directors and to eliminate the requirement of a minimum number of directors.

A classified board of directors can make it more difficult for shareholders to change a majority of directors even where holders of a majority of the shares are dissatisfied with the performance of incumbent directors. Many investors believe that the election of directors is the primary means for shareholders to influence corporate governance policies and to hold management accountable for implementing these policies. The Board believes that all directors should be equally accountable at all times for our performance and that the will of the majority of shares should not be impeded by a classified board.

The proposed amendment will allow shareholders to review and express their opinion on the performance of all directors each year. Since there is no limit to the number of terms an individual may serve, the continuity and stability of the Board's membership and our policies and long-term strategic planning should not be affected.

We are also proposing to eliminate the requirement of a minimum number of nine directors. With the retirement of Messrs. McDermott, Timmins and Wyland, the Board would like the flexibility to have fewer than nine directors should it deem in its business judgment that fewer than nine directors can adequately manage the business and affairs of the Company.

The Board has approved an amendment of our By-laws (the "By-laws") to eliminate provisions in the By-laws that relate to the classification of the Board and the minimum number of directors that will become effective only upon the amendment of the Articles becoming effective.

In addition to eliminating the classified Board and the requirement of a minimum number of directors, the deletion of Article IX of our Articles will remove the provisions related to nomination of directors and removal of directors. These sections duplicate the provisions for nomination and removal contained in our current By-Laws. The Board of Directors believes this simplification is appropriate and should accompany the elimination of Sections 1 and 2 of Article IX. Our By-Laws may be amended by a vote of the majority of directors or the holders of a majority of the outstanding shares of common stock. The Articles of Incorporation may be amended by action by the Board to present a proposal to the shareholders, followed by approval by the holders of a majority of the votes entitled to be cast on the amendment.

Effect of the Voting Outcome

If Proposal 1 is approved by our shareholders, an amendment to our Articles will be filed with the Indiana Secretary of State, at which time the amendment will become effective. If Proposal 1 is approved by our shareholders, the classified Board will be eliminated, and all directors will be elected for a one-year term at each annual meeting of shareholders, commencing with the 2009 Annual Meeting of Shareholders. Directors of the class scheduled to serve until the 2010 Annual Meeting have agreed to shorten their term and will stand for election, if

- 3 -

nominated, at the next annual meeting of shareholders. Any director chosen as a result of a newly created directorship or to fill a vacancy on the Board will hold office until the next annual meeting of shareholders.

If a quorum is present, approval of this proposal requires the affirmative vote of the shareholders present in person or by proxy at the 2008 Annual Meeting and holding not less than a majority of the total voting power of all outstanding shares of our voting stock. If you execute and return a proxy, but do not specify how to vote the shares represented by your proxy, the persons named as proxies will vote "FOR" the proposed amendment to the Articles. In determining whether this proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will have the same effect as votes against Proposal 1.

The Board of Directors unanimously recommends a vote FOR this proposal, and your proxy will be so voted, unless you specify otherwise.

PROPOSAL 2: ELECTION OF DIRECTORS

The Board of Directors is divided into three classes, with the members of each class currently serving staggered three-year terms. Accordingly, at the 2008 Annual Meeting, three directors will be elected to hold office until the 2011 Annual Meeting or until their successors are duly elected and qualified. If Proposal 1 to eliminate the classification of terms of the Board of Directors is approved, then the directors elected at the 2008 Annual Meeting will be elected for a one-year term, and thereafter all directors will be elected for one-year terms at each annual meeting of shareholders. If this proposal is approved, a full slate of directors will stand for election or re-election at the 2009 Annual Meeting of Shareholders for one-year terms.

It is intended that the proxies will be voted for the nominees listed below, unless otherwise indicated on the proxy form. It is expected that these nominees will serve, but, if for any unforeseen cause any such nominee should decline or be unable to serve, the proxies will be voted to fill any vacancy so arising in accordance with the discretionary authority of the persons named in the proxies.

**PROPOSAL 3:
APPROVAL OF THE RIGHTS OFFERING**

General Background

Our Board has approved a proposal that we raise equity capital by offering holders of our common stock an opportunity to purchase additional shares in a rights offering (the "Rights Offering"). If this proposal is approved by our shareholders, we will distribute at no cost to shareholders non-transferable rights to purchase, in the aggregate, approximately 1,850,000 shares of common stock for an aggregate purchase price of approximately \$12,950,000. Each shareholder will receive, for each share of common stock owned on the record date, one right to purchase 0.258954 of a share of common stock at \$7.00 per whole share. The rights will be evidenced by subscription certificates. We expect to set the record date for the Rights Offering shortly before commencement of the offering. Holders of rights will be permitted to purchase a whole number of shares, with fractional shares rounded down. The Rights Offering as proposed in this Proxy Statement replaces the rights offering previously approved by our shareholders at a special meeting held on November 29, 2007.

In connection with the Rights Offering, we will file an amendment to an existing registration statement currently on file with the Securities and Exchange Commission (the "SEC"). Once the registration statement becomes effective, we will commence the Rights Offering and mail the Rights Offering prospectus to holders of our common stock. The prospectus will contain important information about the Rights Offering. You should not make a decision to participate in the Rights Offering until you read the prospectus.

We are asking our shareholders, at the Annual Meeting, to approve the Rights Offering. A vote in favor of the Rights Offering will not obligate any shareholder to purchase shares in the Rights Offering.

Reasons for Rights Offering

We are undertaking the Rights Offering to provide our shareholders an opportunity to make an additional investment in the Company and to raise capital to reduce our indebtedness. We will use the net proceeds from the Rights Offering (i) to prepay in full the approximately \$7.1 million in principal amount that remains outstanding out of the \$13,975,000 in original principal amount of 9.5% Senior Subordinated Promissory Notes (the "Notes") that was provided by Tontine Capital Partners, L.P. and Tontine Capital Overseas Master Fund, L.P. (collectively, "Tontine") to fund our acquisition of Adorn Holdings, Inc. in May 2007 (the "Adorn Acquisition"), (ii) to pay related accrued interest and (iii) to reduce borrowings under our senior secured credit facility. Under our senior secured credit facility, lenders will permit the Notes to be prepaid only with the proceeds of new equity. If the Notes are not prepaid by May 18, 2008, the interest rate increases to 13.5%. If this proposal is not approved by our shareholders, we cannot conduct this Rights Offering and we would be required to seek alternative sources of equity capital to prepay the Notes.

This proposed Rights Offering and the sale of shares to Tontine in March 2008 replace the previously announced rights offering approved by our shareholders in November 2007. On March 12, 2008, we completed the sale to Tontine, in a private placement, of 1,125,000 shares of our common stock at \$7.00 per share for a total purchase price of \$7,875,000. Proceeds from this sale of common stock were used to prepay in part principal under the Notes and to pay related accrued interest.

Our Board has considered that the ownership percentage of some of our current holders of common stock could be diluted by the issuance of additional shares pursuant to this Rights Offering. While the ownership percentage of our current shareholders (other than Tontine) could decrease, the Board considered that the magnitude of this dilution would depend in part on the decision of each holder of common stock whether to subscribe for additional shares in the Rights Offering. After weighing the importance of raising additional equity capital and considering that the Rights Offering would give each shareholder the opportunity to purchase additional shares of common stock at \$7.00 per share, the Board concluded that the Rights Offering is in the best interests of the Company and our shareholders.

- 5 -

Significance of Tontine

Tontine currently owns 48.5% of our common stock. As more fully described in Proposal 4 below, Tontine has agreed to act as a standby purchaser of any shares not subscribed for by other shareholders in the Rights Offering at the same \$7.00 per share subscription price offered to our shareholders in the Rights Offering. Tontine's commitments are contained in the Standby Purchase Agreement, dated March 10, 2008, as amended on April 8, 2008 (the "Standby Purchase Agreement"), which is attached to this Proxy Statement as Appendix B. Pursuant to the Standby Purchase Agreement, Tontine has also agreed to subscribe for and purchase its pro rata portion of the shares offered in the Rights Offering. We have agreed to register the shares of common stock owned by Tontine, including any shares purchased in the Rights Offering or pursuant to the Standby Purchase Agreement, under the terms of the Amended and Restated Registration Rights Agreement with Tontine, dated May 18, 2007 (the "Amended and Restated Registration Rights Agreement"). Pursuant to the Amended and Restated Registration Rights Agreement, in December 2007, we registered for resale 2,293,089 shares of our common stock then held by Tontine.

Certain Effects of Approving the Rights Offering

Our shareholders are being offered the opportunity to purchase a pro rata portion of the common stock

offered for sale in the Rights Offering. In the case of shareholders who choose to subscribe for none or only a portion of their pro rata shares in the Rights Offering, the shareholder's unsubscribed shares will be purchased by Tontine under the Standby Purchase Agreement, which is also subject to approval by our shareholders (see Proposal 4). Shareholders participating in full in the Rights Offering will not suffer dilution of their share ownership as a percentage of the total number of shares outstanding, as their percentage of ownership will remain constant. Those shareholders who do not participate fully or at all in the Rights Offering will have their ownership percentage of the total common stock outstanding diluted. Tontine's opportunity to increase its ownership percentage will be available, only if other shareholders choose not to fully exercise their subscription right.

To the extent that holders of our common stock do not exercise their rights fully or at all, Tontine will increase its substantial ownership interest in our common stock. If no holder other than Tontine subscribes for their portion of the shares offered in the Rights Offering, and Tontine purchases all unsubscribed shares pursuant to the Standby Purchase Agreement, Tontine's ownership will increase to 5,318,089 shares or approximately 59.1% of our outstanding common stock. If Tontine holds a majority of our outstanding common stock, it would have the ability to control the election of our Board and the approval of other matters presented for consideration by the shareholders, which could include mergers, acquisitions, amendments to our charter, and various corporate governance actions.

If Tontine owns more than 50% of our outstanding common stock, the Company would become a "controlled company" and would be exempt from certain independence requirements of the NASDAQ Stock Market. Specifically, a controlled company is not required to have a board consisting of a majority of independent directors; and it need not have independent compensation or nominating committees. A controlled company must comply with NASDAQ Stock Market requirements for an independent audit committee and other audit committee rules, as well as the independence requirements established by the SEC. Independent directors must also hold regular executive sessions.

Reasons for Seeking Shareholder Approval

We are seeking shareholder approval of the Rights Offering because we are required to do so under the terms of the Standby Purchase Agreement, and because our Board considered that this Rights Offering would only occur if our shareholders approved both the Rights Offering and the Standby Purchase Agreement. In order for the Rights Offering to occur, our shareholders must approve both this proposal (approval of the Rights Offering) and Proposal 4 (approval of the Standby Purchase Agreement). If this proposal is not approved by our shareholders, we cannot conduct this Rights Offering and we would be required to seek alternative sources of equity capital to prepay the Notes.

- 6 -

Further information concerning the Rights Offering, including a copy of the prospectus describing the Rights Offering and the shares of common stock to be issued pursuant thereto, will be distributed to shareholders of record as of a date to be set shortly before commencement of the Rights Offering.

This Proxy Statement is not an offer to sell or the solicitation of an offer to buy shares of our common stock or any other securities, whether under the terms of the Rights Offering, the Standby Purchase Agreement or otherwise. Offers and sales of our common stock issuable in the Rights Offering will only be made by means of a prospectus meeting the requirements of the Securities Act of 1933, as amended, and applicable state securities laws, on the terms and subject to the conditions set forth in such prospectus.

The Board of Directors unanimously recommends a vote FOR this proposal, and your proxy will be so voted, unless you specify otherwise.

PROPOSAL 4: APPROVAL OF THE STANDBY PURCHASE AGREEMENT AND THE TRANSACTIONS CONTEMPLATED THEREUNDER

General Background

In connection with the Rights Offering described in Proposal 3 above, we have entered into a Standby Purchase Agreement with Tontine. A copy of the Standby Purchase Agreement is set forth in full as Appendix B, and the description of the Standby Purchase Agreement in this Proxy Statement is qualified in its entirety by reference to Appendix B. The Standby Purchase Agreement obligates us to sell, and requires Tontine to subscribe for and purchase from us, its pro rata portion of the shares offered in the Rights Offering. In addition, Tontine has agreed to act as standby purchaser of any and all shares that are offered in the Rights Offering if those shares are not subscribed for by the other holders of our common stock.

In connection with the Adorn Acquisition in May 2007, we entered into a private placement with Tontine, whereby Tontine purchased 980,000 shares of our common stock at \$11.25 per share for a total purchase price of \$11,025,000, and provided interim subordinated debt financing of \$13,975,000 in exchange for the Notes. On September 17, 2007, we entered into a standby purchase agreement with Tontine, pursuant to which Tontine agreed to certain standby commitments in connection with our previously announced rights offering. The previously announced rights offering and the related standby purchase agreement were both approved by our shareholders at a special meeting in November 2007. However, we have subsequently replaced the previously announced rights offering with the Rights Offering described in Proposal 3 and a second private placement with Tontine in March 2008, whereby Tontine purchased 1,125,000 shares of our common stock at \$7.00 per share, for an aggregate purchase price of \$7,875,000. As a result of that purchase, Tontine currently owns approximately 48.5% of our outstanding common stock. Proceeds from that sale of common stock were used to prepay in part principal under the Notes and to pay related accrued interest.

Following our decision to replace the previously announced rights offering, we also terminated the initial standby purchase agreement and entered into a new Standby Purchase Agreement with Tontine, which is described in greater detail below.

Standby Purchase Agreement

Pursuant to the Standby Purchase Agreement, Tontine has committed to purchase, at the same \$7.00 per share subscription price paid by our shareholders in the Rights Offering, all shares that are unsubscribed for by the other shareholders upon the expiration of the Rights Offering. Because Tontine has committed to buy any unsubscribed shares, if this Rights Offering is completed, we are assured that our Rights Offering will generate approximately \$12,950,000 in proceeds. Under our senior secured credit facility, lenders will permit the Notes to be prepaid only with the proceeds of new equity.

Tontine's material obligations under the Standby Purchase Agreement are subject to the following:

- 7 -

-
- customary closing conditions, including (i) that our representations and warranties in the Standby Purchase Agreement are true and correct in all material respects as of the date of signing the Standby Purchase Agreement and as of the closing date; (ii) subsequent to the execution and delivery of the Standby Purchase Agreement and prior to the closing date, there shall not have been any material adverse effect on our financial condition, earnings, financial position, operations, assets, results of operation, business or prospects, or any event or circumstance that is reasonably likely to result in a material adverse effect on our financial condition, earnings, financial position, operations, assets, results of operation, business or prospects and no event shall have occurred or circumstance shall exist which would reasonably likely result in a material adverse effect ("Material Adverse Effect"); (iii) that no market adverse effect (including (A) the suspension by the SEC or NASDAQ Stock Market of trading in our common stock, the suspension or limitation of trading in securities generally on the NASDAQ Stock Market, the New York Stock Exchange or the American Stock Exchange or the establishment of minimum prices on any of these markets, (B) the declaration of a banking moratorium by the U.S. federal or New York State authorities, or (C) any material new outbreak or material escalation of hostilities or any declaration by the United States of a national emergency or war or other calamity or crisis which has a material adverse effect on the U.S. financial markets) has occurred and is continuing ("Market Adverse Effect");
 - as of the closing date, we shall not have amended our By-laws to opt back in to the provisions of the Indiana Business Corporation Law (the "IBCL") pertaining to the acquisition of a controlling interest. Under Sections 23-1-42-1 to 23-1-42-11 of the IBCL, an acquiring person or group who makes a "control share acquisition" in an "issuing public corporation" may not exercise voting rights on any "control shares" unless these voting rights are conferred by a majority vote of disinterested shareholders of the issuing corporation at a special meeting of those shareholders held upon the request and at the expense of the acquiring person;
 - our Board shall have adopted resolutions approving and exempting the transactions contemplated in the Standby Purchase Agreement from the restrictions in Section 18 and Section 19 of Chapter 43 of the IBCL which, in general, prohibit an Indiana corporation from engaging in a "business combination" (defined as a variety of transactions) with an "interested shareholder" (defined generally as a person that is the beneficial owner of 10% or more of a corporation's outstanding voting stock) for a period of five years following the date that such person became an interested shareholder;
 - we shall have amended our Rights Agreement, dated March 21, 2006, between the Company and National City Bank (the "Rights Agreement") to permit the acquisition of any shares of our common stock acquired by Tontine pursuant to the Rights Offering and the Standby Purchase Agreement, and such amendment shall continue to be in full force and effect as of the closing date;
 - there shall be no judgment or other legal restraint that prohibits or renders unachievable the completion of the Rights Offering or the transactions contemplated by the Standby Purchase Agreement;
 - the SEC shall have declared the registration statement for the Rights Offering effective, we shall have complied with any request of the SEC to include additional information in the registration statement, no stop order suspending the effectiveness of the registration statement shall have been issued, and the SEC shall not have initiated a proceeding seeking such an order;
 - we shall have obtained the approval by our shareholders of the transactions contemplated by the Standby Purchase Agreement; and
 - the shares of common stock to be issued shall have been authorized for listing on the NASDAQ Stock Market.

Our obligation to fulfill the terms and obligations of the Standby Purchase Agreement are subject to the representations and warranties made by Tontine being true and correct in all material respects as of the date of the signing of the agreement and at and as of the closing date.

- 8 -

The Standby Purchase Agreement contains covenants that are customary for a transaction of this type. We have agreed, except as otherwise contemplated by the Standby Purchase Agreement, to (i) file this Proxy Statement and the registration statement for the Rights Offering, and to use our reasonable best efforts to have the SEC declare the Rights Offering registration statement effective; (ii) operate our business in the ordinary course, consistent with past practice; (iii) not issue any shares of our capital stock, or options, warrants, purchase rights, subscription rights, conversion rights, exchange rights, securities convertible into or exchangeable for our capital stock, or other agreements or rights to purchase or otherwise acquire our capital, except for (A) shares of common stock issuable upon exercise of outstanding stock options, and (B) an additional 30,108 shares of common stock

in connection with a stock bonus program established for the benefit of certain of our employees in connection with integration activities relating to the Adorn Acquisition; and (C) restricted stock awards to non-employee members of the Company's Board as part of their annual director compensation representing a maximum of 24,500 shares of our common stock in the aggregate; (iv) not authorize any stock split, stock dividend, stock combination, or other similar transaction affecting the number of issued and outstanding shares of our common stock; (v) not declare or pay any dividends or repurchase any shares of our common stock; and (vi) not incur any indebtedness or guarantees thereof, other than borrowings in the ordinary course of business and consistent with past practice.

Tontine may terminate its rights and obligations under the Standby Purchase Agreement at any time prior to closing if there is a Material Adverse Effect or Market Adverse Effect that is not cured within 15 days after the occurrence thereof. If either we or Tontine materially breach the Standby Purchase Agreement, the non-breaching party may terminate its rights and obligations under the Standby Purchase Agreement if the breaching party does not cure the breach within 15 days after receiving written notice. In addition, either party may terminate its rights and obligations under the Standby Purchase Agreement, if the closing of the Rights Offering has not occurred on or prior to July 31, 2008 for any reason other than a material breach by the terminating party or a failure to meet a closing condition as defined in the Standby Purchase Agreement.

Amended and Restated Registration Rights Agreement

We previously entered into the Amended and Restated Registration Rights Agreement with Tontine in which we agreed under certain circumstances to register the resale of shares of common stock held by Tontine. The common stock purchased by Tontine both in the Rights Offering and pursuant to the Standby Purchase Agreement will be eligible to be registered for resale under the Amended and Restated Registration Rights Agreement. Should Tontine choose to resell the shares it purchases pursuant to the Rights Offering or the Standby Purchase Agreement, we will bear the costs of registering the common stock to be resold. Pursuant to the Amended and Restated Registration Rights Agreement, in December 2007, we registered for resale 2,293,089 shares of our common stock then held by Tontine.

Relationship with Tontine

Tontine currently owns 48.5% of our common stock. In connection with the Adorn Acquisition in May 2007, we entered into a private placement with Tontine, whereby Tontine purchased 980,000 shares of our common stock at \$11.25 per share for a total purchase price of \$11,025,000, and provided interim subordinated debt financing of \$13,975,000 in exchange for the Notes. In March 2008, we entered into a second private placement with Tontine, whereby Tontine purchased 1,125,000 shares of our common stock at \$7.00 per share, for an aggregate purchase price of \$7,875,000. In connection with the May 2007 private placement, we entered into a securities purchase agreement in which we granted Tontine the right to appoint (i) one nominee to our Board so long as it holds between 7.5% and 14.9% of our common stock then outstanding, and (ii) two nominees to our Board so long as it holds at least 15.0% of our common stock then outstanding. In each case, the nominees must be reasonably acceptable to our Board. Pursuant to this securities purchase agreement, we have also agreed to limit the number of directors serving on our Board, by the date of our 2008 Annual Meeting of Shareholders, to no more than nine directors for so long as Tontine has the right to appoint a director to our Board. The securities purchase agreement entered into in connection with the March 2008 private placement acknowledged and affirmed Tontine's rights with respect to Board nominees and our obligations with respect to the number of directors. As of the date hereof, there are no appointed or elected Tontine representatives on our Board. If no holder other than Tontine subscribes for their portion of the shares offered in the Rights Offering and Tontine purchases all unsubscribed shares pursuant to the Standby Purchase Agreement, Tontine's ownership will increase to 5,318,089 shares or approximately 59.1% of our outstanding common stock.

- 9 -

We are not aware of any current plans or proposals by Tontine with respect to any extraordinary corporate transactions involving us or any sale of our assets or change in our management, capitalization, dividend policy, charter or By-laws (except as described in this Proxy Statement), or any other change in our business or corporate structure or with respect to the delisting or deregistration of any of our securities. However, any determination by Tontine to retain its interest in us will likely be subject to the continuing evaluation of pertinent factors related to its investment in us. We are not aware of any current plans by Tontine to resell any shares of our common stock, including any shares acquired in the Rights Offering or pursuant to the Standby Purchase Agreement. Depending upon the continuing assessment of these factors from time to time, Tontine may change its present intentions and may dispose of some or all of the shares of our common stock that it owns. We are also not aware of any current plans by Tontine to acquire additional shares of our common stock, except as described in this Proxy Statement.

Reasons for Seeking Shareholder Approval

The Standby Purchase Agreement has as a condition to closing the approval by our shareholders of the Rights Offering and the transactions contemplated by the Standby Purchase Agreement. In order for the Rights Offering to take place, our shareholders must approve both this proposal (approval of the Standby Purchase Agreement) and Proposal 3 (approval of the Rights Offering). If this proposal is not approved by our shareholders, we cannot conduct this Rights Offering and we would be required to seek alternative sources of equity capital to prepay the remaining balance due under the Notes.

The Board of Directors unanimously recommends a vote FOR this proposal, and your proxy will be so voted, unless you specify otherwise.

PROPOSAL 5:

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Ernst & Young LLP as our independent registered public

accounting firm for the fiscal year ending December 31, 2008. The Board and the Audit Committee recommend that shareholders ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year 2008. Although we are not required to do so, we believe that it is appropriate to request that shareholders ratify this appointment. If shareholders do not ratify the appointment, the Audit Committee will investigate the reasons for the shareholders' rejection and reconsider the appointment. Representatives of Ernst & Young LLP will be at the Annual Meeting, will be given the opportunity to make a statement, and will be available to respond to questions.

Unless otherwise instructed, the proxy holders will vote the proxies received by them "FOR" approval of the ratification of the appointment of Ernst & Young LLP. The ratification of the appointment will be approved by our shareholders if, at the Annual Meeting, a quorum is present and a majority of the shares present in person or represented by proxy and entitled to vote on the proposal are voted in favor of the proposal.

The board recommends a vote FOR approval of the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

CORPORATE GOVERNANCE

The Board believes that fundamental corporate governance is important to ensure that we are managed for the long-term benefit of our shareholders. The Board annually reviews its corporate governance practices and policies as set forth in its Corporate Governance Guidelines, Code of Ethics, and various Committee Charters, all of which were updated in accordance with the listing standards of the NASDAQ Stock Market and the SEC rules.

Election of Directors and Length of Board Term

Directors are currently elected for three-year staggered terms at the annual meeting of shareholders. If Proposal 1 of this Proxy Statement is approved and we amend our Articles of Incorporation to eliminate the classification of terms of the Board, then directors will be elected to serve a one-year term at the annual meeting of shareholders.

Board Committees

The Board has three standing committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. Each Committee has a committee chairman and a written charter.

Shareholder Communications

Shareholders may send communications to members of the Board of Directors by either sending a communication to the Board of Directors and/or a particular member care of Andy L. Nemeth, Patrick Industries, Inc., P.O. Box 638, Elkhart, Indiana 46515-0638. Communications intended for independent directors should be directed to the chair of the Corporate Governance and Nominations Committee.

Board of Directors, Committees and Committee Reports

Board of Directors

The Board had 4 regular meetings and six special meetings in 2007 and all directors attended all meetings, except Mr. Wells, who missed two meetings.

The Board and committees regularly meet in executive session without the presence of any management directors or representatives. Robert C. Timmins, Chair of the Audit Committee, was designated as the lead independent director for 2007 and presided over the executive sessions of the Board.

- 11 -

We expect all Board members to attend the Annual Meeting of Shareholders, but from time to time, other commitments may prevent all directors from attending each meeting. All directors attended the most recent Annual Meeting of Shareholders, which was held on May 10, 2007.

Independent Directors

The Board of Directors is comprised of nine (9) members, of which six (6) were classified as independent directors in 2007 and thus comprised a majority of the Board. A seventh director (Keith V. Kankel) became an independent director effective January 1, 2008. In general, the Board of Directors determines whether a director is independent by following the guidelines of the NASDAQ Stock Market and the SEC rules and regulations, in addition to those other factors it may deem relevant. The Board of Directors has determined that the independent directors are Robert C. Timmins (Lead Director), Terrence D. Brennan, John H. McDermott, Larry D. Renbarger, Walter E. Wells, Harold E. Wyland, and Keith V. Kankel. The independent directors met four times in 2007.

Corporate Governance and Nominations Committee Processes

The Corporate Governance and Nominations Committee will consider board nominees recommended by shareholders. Those recommendations should be sent to the Chair of the Corporate Governance and Nominations Committee, care of the Corporate Secretary of Patrick Industries, Inc., P.O. Box 638, Elkhart, Indiana 46515-0638. In order for a shareholder to nominate a candidate for director, under our By-laws, timely notice of the nomination must be given in writing to the Secretary of the Company. To be timely, such notice must be received at our principal executive offices not less than 90 days, or more than 110 days prior to the next Annual Meeting of Shareholders. Notice of nomination must include the name, address and number of shares owned by the person submitting the nomination; the name, age, business address, residence address and principal occupation of the nominee; and the number of shares beneficially owned by the nominee. It must also include the information that would be required to be disclosed in the solicitation of proxies for election of directors under the federal securities laws, as well as whether the individual can understand basic financial statements and the candidate's other board memberships (if any). The nominee's consent to be elected and serve must be submitted. The Corporate Governance and Nominations Committee may require any nominee to furnish any other information, within reason, that may be needed to determine the eligibility of the nominee. As provided in its Charter, the Corporate Governance and Nominations Committee will follow procedures which the committee deems reasonable and appropriate in the identification of candidates for election to the board and evaluating the background and qualification of those candidates. Those processes include consideration of nominees suggested by an outside search firm, by incumbent board members, and by shareholders. The Committee will seek candidates having experience and abilities relevant to serving as a director of the Company, and who represent the best interests of shareholders as a whole and not any specific group or constituency.

The Committee will consider a candidate's qualifications and background, including, but not limited to, responsibility for operating a public company or a division of a public company, international business experience, a candidate's technical background or professional qualification, and any other public company boards on which the candidate is a director. The Committee will also consider whether the candidate would be "independent" for purposes of the NASDAQ Stock Market and SEC rules and regulations. The Committee may, from time to time, engage the service of a professional search firm to identify and evaluate potential nominees.

Audit Committee

The Board of Directors has an Audit Committee, which in 2007 was comprised of Robert C. Timmins (Chairman), Terrence D. Brennan, John H. McDermott, Larry D. Renbarger, Walter E. Wells and Harold E. Wyland, none of whom are employees of the Company. The Audit Committee's responsibilities include recommending to the Board of Directors the independent accountants to be employed for the purpose of conducting the annual examination of our financial statements, discussing with the independent accountants the scope of their examination, reviewing our financial statements and the independent accountants' report thereon with our personnel and the independent accountants, and inviting the recommendations of the independent accountants regarding internal controls and other matters. Additionally, the Audit Committee is responsible for approving all non-audit services provided by the independent accountants and reviews these engagements on a per occurrence basis.

- 12 -

The Board has determined that all of the members of the Audit Committee are independent as defined in the NASDAQ listing standards and relevant SEC rules, and that Messrs. Timmins, Brennan, Renbarger, and Wells all meet the qualifications required to be an audit committee financial expert and meet the financial sophistication requirements of the NASDAQ listing standards. Messrs. Timmins and Renbarger both have public accounting backgrounds. Terrence Brennan served as the President of NBD Bank in Elkhart, Indiana and Walter Wells was the President and Chief Executive Officer of Schult Homes. The Audit Committee met six times in 2007. Effective January 1, 2008, the size of the Audit Committee was reduced to four members: Robert C. Timmins (Chairman), Keith V. Kankel, Larry D. Renbarger and John H. McDermott.

For a more detailed list of the roles and responsibilities of the Audit Committee, please see the Audit Committee Charter located on our website at www.patrickind.com.

Compensation Committee Interlocks and Insider Participation

During 2007, no executive officer served on the Board or compensation committee of any other corporation with respect to which any member of the Compensation Committee was engaged as an executive officer. No member of the Compensation Committee was an officer or employee of the Company during 2007, and no member of the Compensation Committee serving in 2007 was formerly an officer of the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that certain of our officers, directors and 10% shareholders file with the SEC an initial statement of beneficial ownership and certain statements of changes in beneficial ownership of our common stock. Based solely on our review of such forms and written representation from the directors and officers that no other reports were required, we are unaware of any instances of noncompliance or late compliance with such filings during the fiscal year ended December 31, 2007, except with respect to the late filing of one Form 4 on December 12, 2007 for each of Messrs. Hassler, Lee and Nemeth.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Summary

We believe that the compensation plan as it relates to our named executive officers should be aligned with the Company's short term and long term objectives, its strategic plan, its operating performance and cash flows, and increasing management ownership in the Company. Our objective is to attract and retain highly qualified executives and to align the interest of our Board of Directors with our senior management team in efforts to facilitate strong leadership in an environment that creates and promotes productivity and goal oriented results. In order to meet these objectives, the Compensation Committee has met numerous times over the past several years and conducted market studies and analysis to ensure that we are providing a competitive complete package as it relates to our senior management team. Our compensation plan currently includes the following components and our general objectives as they relate to each:

- Annual Base Salaries – Base salaries are based on job responsibility, individual performance, experience, skill level and market practices.
- Annual Non-Equity Incentive Plan Awards and Performance Bonuses – Non-Equity Incentive Plan Awards and Performance Bonuses are intended to reward outstanding performance and efforts as they relate to the Company's strategic plan and are tied to items including EBITDA and debt reduction. The Board reserves the right at any time to award discretionary bonuses to senior management based on outstanding performance or other factors.

- Long-Term Incentives – In efforts to increase management ownership in the Company, our plan links performance to our strategic plan and our shareholder interests in efforts to provide long-term shareholder value.
- Executive Retirement Plan – In efforts to retain a highly qualified management team, our executive officers, upon approval by the Board of Directors, participate in a supplemental retirement program which is based on base wages, years of service and other criteria.
- Perquisites – Perquisites are minimized to promote team oriented results.
- Severance Benefits – We continue to support our executive team and want to provide reasonable and equitable protection consistent with comparable practices of comparable companies.

Acquisitions

In January 2007, we completed the acquisition of American Hardwoods, Inc. (“American Hardwoods”), an industrial distribution company located in Phoenix, Arizona, representing our first acquisition since 1998. In May 2007, we completed the largest acquisition in our history by acquiring Adorn Holdings, Inc., (“Adorn”) a well-known manufacturer and supplier to the manufactured housing, recreational vehicle, and industrial markets. The purchase price for American Hardwoods was \$7.1 million and the purchase price for Adorn was approximately \$78.8 million. The American Hardwoods acquisition allowed us to increase our industrial penetration through a new distribution channel. The Adorn Acquisition presents numerous synergistic opportunities, including facility rationalization, headcount reduction, increased capacity utilization, increased purchasing leverage and presence, and the combination of two strong management teams working together to facilitate “best practices” among industry leaders. Further, the Adorn Acquisition allowed us to virtually double our manufacturing revenues and significantly increase our market share in the manufactured housing and recreational vehicle industries. Both acquisitions fit within the framework of our strategic plan as it relates to strong historical financial performance, solid management teams, positive profit analysis and projections, and competitive pricing multiples, among others.

- 15 -

As a result of the Adorn Acquisition, much of our focus from May through December 2007 was on the execution of the consolidation plan and transition of Adorn into Patrick at all levels, from the closing and consolidation of seven manufacturing plants and two operating cells, to the administrative and corporate functions necessary to drive the business. Additionally, we continue to analyze the benefits of relocating certain divisions in order to capitalize on floor space, rail siding, and cost. The goal to have the majority of the transition completed by December 31, 2007 was met on time and according to plan. From a demographic and logistics perspective, Adorn in its original form, operated out of ten business units located in eight different states. The Patrick platform was comprised of twenty-seven different business units (including distribution) located in twelve different states. Together, the combined company facilities overlapped in six of the eight states in which Adorn was located.

As a result of the acquisitions of both Adorn and American Hardwoods, and the related increase in debt to finance the acquisitions, the strategic priorities of the senior management team changed in 2007 in the short term to focus on increasing the profitability of the combined operations and decreasing leverage with EBITDA and debt reduction set as financial targets. The Compensation Committee and the Board of Directors spent significant time working with the senior management team to design a compensation package that was aligned with these new priorities.

Benchmarking

We use a variety of resources, including SEC filings as they relate to our customers, suppliers and other companies of our size, to assist in establishing our compensation programs for our senior executives. Our major competitors are not publicly traded and, therefore, we do not have access to their compensation information to make appropriate comparisons at this level. Along with current market rates for companies of our size, structure and reporting responsibilities, we utilize market surveys, Board member experience, external compensation studies, and engage the assistance of our advisors and contacts within the industry to help supplement our decision making process. While the manufactured housing industry, which represents approximately 37% of our revenue base, has been operating at the lowest levels in more than 40 years, we have worked to provide an appropriate compensation package that recognizes the inherent limitations on organic growth, while fully recognizing the significant efforts put in by our management team to not only execute on strategies in conjunction with our strategic plan, but to continue to promote a culture of performance based results and team oriented goal setting. Additionally, with the change in management personnel related to Mr. Hassler being appointed President and Chief Executive Officer in 2004, we recognized that our new senior management team, while experienced within the industry and with the Company, owned very little Company stock. Accordingly, we have taken on the initiative of increasing management’s ownership of common stock through the issuance of both restricted and unrestricted stock awards in conjunction with our 1987 Omnibus Stock Option Program as amended.

Equity Trading Restrictions

The Company had a policy effective through March 26, 2008 with regards to a mandatory blackout period related to equity transactions which starts on the fifteenth day of the month ending in a reporting period (March, June, September, and December) and ending three days after the public release of financial information for that period. The policy was modified on March 27, 2008 whereby the mandatory blackout period begins on the last day of the month ending in a reporting period (March, June, September and December) and ends forty-eight hours after the public release of the financial information for that reporting period. During this period, Section 16 insiders and other management employees who have access to “inside” information are precluded from trading in the public market, any types of company owned equity securities. Additionally, the Company precludes any Section 16 insider, as defined by the SEC, Director, Officer or Employee from trading in the public market, or any other market, based on information that is not made available to the general public.

The components of our executive compensation plan as currently established by the Compensation Committee include the following:

- Base Salary;
- Non-Equity Incentive Plan Awards;

- 16 -

-
- Annual Performance Bonus;
 - Stock Awards;
 - Non-Qualified Stock Options; and
 - Executive Retirement Plan.

Base Salary

The Compensation Committee reviews and approves the base salaries of named executives each year, as well as at the time of promotion, change in job responsibilities, or any other change deemed to be a material event. Base salaries are set on the first day of January of each year. The Compensation Committee sets the salary for the President and CEO, and approves the base salaries for the other named executives based on recommendations by the President and CEO. The Compensation Committee recommended and the Board subsequently approved a base salary increase for the named executive officers based on recommendations by Mr. Hassler, President and CEO, as well as a review of individual performance and trends in the marketplace effective January 1, 2007. Based upon the increase in job responsibilities as a result of the acquisition of Adorn in May, 2007, the Compensation Committee further approved increases for each of the named executive officers as of the acquisition date. The following table summarizes the 2007 base salaries as approved by the Board of Directors:

<u>Name</u>	<u>2006 Base Salary</u>	<u>2007 Base Salary (1)</u>	<u>% Increase</u>
Paul E. Hassler	\$335,000	\$350,000	4.5%
Todd M. Cleveland (2)	--	\$265,000	---
Andy L. Nemeth	\$217,000	\$230,000	6.0%
Gregory G. Lee	\$147,000	\$160,000	8.8%

- (1) The 2007 base salary represents the base salaries as approved by the Compensation Committee of the Board of Directors upon consummation of the Adorn Acquisition on May 18, 2007.
- (2) Mr. Cleveland joined the Company on May 18, 2007, as a result of the Adorn Acquisition.

Non-Equity Incentive Plan Awards

The Annual Non-Equity Incentive Plan Awards are reviewed and approved each year and are based on the achievement of financial targets. Due to the acquisition of Adorn in May 2007, we eliminated the Return on Equity formula used in the 2006 compensation plan and moved to an incentive plan that was more aligned with the new strategic initiatives of the Company as a result of the acquisition. Several key components of the acquisition and consolidation plan were considered in the development of the 2007 incentive plan to incentivize the management team to minimize exposure areas as identified. Some of these areas include:

- The significant leverage position taken on as a result of the acquisition;
- The \$110 million credit facility entered into as a result of the acquisition and the related debt covenant thresholds;
- The cultural and leadership issues associated with combining the two highly competent management teams; and
- The change in focus to a more cash flow based model in the short term from the Return on Equity concept in 2006.

- 17 -

As a result of the above factors, the compensation committee identified two key components for the 2007 non-equity incentive plan for the named executive officers. The two key components include:

- Earnings Before Interest, Taxes, Depreciation and Amortization (“EBITDA”) Target computed as defined in the Company’s credit agreement. The compensation committee established the EBITDA target based on the full year pro-forma combined operating plan of both Patrick and Adorn as presented to the Board of Directors upon completion of the acquisition. An incentive participation percentage was set for each of the named executive officers whereby they could earn additional compensation based on achieving and exceeding the EBITDA target as defined. The incentive compensation potential to be earned by each named executive officer is calculated based on a minimum EBITDA threshold and earned as a percentage of the incremental amount over and above the threshold, computed based on the participation percentage for each individual. The Company did not meet its minimum EBITDA threshold for 2007 and, therefore, no incentive compensation was paid to the named executive officers under this component of the plan.

The following table summarizes the EBITDA incentive compensation participation targets and amounts paid to each of the named executive officers for the year ended December 31, 2007:

<u>Name</u>	<u>Incentive %</u>	<u>EBITDA Bonus</u>
Paul E. Hassler	6.00%	\$ - -
Todd M. Cleveland	5.00%	\$ - -
Andy L. Nemeth	4.00%	\$ - -
Gregory G. Lee	3.00%	\$ - -

- Debt Reduction – The Compensation Committee established a debt reduction target based on the 2007 normal debt service requirements whereby the named executive officers would participate in a percentage of every dollar of debt principal paid down over and above the debt service requirements as presented in the plan for 2007.

The following table summarizes the debt reduction incentive compensation participation targets and related amounts paid to each of the named executive officers for the year ended December 31, 2007.

<u>Name</u>	<u>Incentive %</u>	<u>Debt Reduction Bonus</u>
Paul E. Hassler	1.50%	\$190,700
Todd M. Cleveland	1.25%	\$158,900
Andy L. Nemeth	1.00%	\$127,100

- 18 -

Gregory G. Lee	0.75%	\$95,300
----------------	-------	----------

While these targets have been used in 2007, the Compensation Committee reserves the right to modify, cancel, change or reallocate any components of this calculation or criteria at any time. The awards in conjunction with the 2007 operating results were recommended by the Compensation Committee and unanimously approved by the Board of Directors.

Actual and potential non-equity incentive plan awards for 2007 are set forth in the table below. Potential 2007 awards are expressed as a percentage of base salary.

<u>Name</u>	<u>Actual 2007 Performance Bonus</u>	<u>Potential 2007 Performance Bonus (as a percentage of base salary)</u>		
		<u>Threshold</u>	<u>Target</u>	<u>Maximum</u>
Paul E. Hassler	\$190,700	0%	39%	150%
Todd M. Cleveland	158,900	0%	43%	150%
Andy L. Nemeth	127,100	0%	39%	150%
Gregory G. Lee	95,300	0%	43%	150%

Annual Performance Bonus

We believe in rewarding management in situations outside of the Annual Non-Equity Incentive Plan for accomplishments that benefit the shareholders and short and long-term goals of the Company and its strategic plan. Due to the depressed conditions in the manufactured housing industry, which are beyond the Company’s control, management must continue to work and make decisions that do not immediately have a financial impact on the Company, but promote the long term goals and direction as they relate to the strategic plan. In these situations, it is our belief that our management team should be rewarded to decrease the gap between financial results and actual operating management and performance.

Stock Awards

Annual Performance Based Stock Awards:

We believe that increasing senior management's ownership in the Company is critical to our long-term strategic plan and keeping management goals aligned with increasing shareholder value. In May 2007, the Board of Directors approved the granting of up to 50,000 shares to the named executive officers and other key members of the senior management team, and any other members of the management team as determined by the named executive officers of the Company, upon the completion of certain key milestone events in conjunction with the consolidation of Adorn into Patrick. The consolidation plan was divided into three phases with Phase I completed on October 5, 2007, and Phases II and III to be completed in the first and second quarters of 2008. Any shares to be issued to any of the named executive officers have to be approved by the Board of Directors. There were no shares granted to the named executive officers in 2007. We believe that there will be approximately 20,000 shares granted to the named executive officers in 2008 as part of this program.

Discretionary Stock Awards:

- 19 -

We believe that management should be rewarded for outstanding performance, irrespective of financial targets and metrics and therefore reserve the right to issue unrestricted stock grants to named executive officers and other individuals at our discretion. On March 28, 2007 the Board approved the granting of shares to the named executive officers upon the closing of the Adorn Acquisition. The shares were awarded and issued on June 1, 2007 and vest in four quarterly increments on September 1, 2007, December 1, 2007, March 1, 2008, and June 1, 2008. The named executive officers are responsible for all applicable taxes associated with such shares and are entitled to all rights and voting privileges with respect to such shares. The officers all elected to have the shares taxed on the date of grant of June 1, 2007 in the form of a Section 83(b) of the Internal Revenue Code election (a "Section 83(b) election") and further elected to turn in shares to pay the related minimum withholding taxes. The Company immediately retired such shares.

The following table summarizes the Adorn Acquisition stock grant as approved by the Board of Directors:

Stock-Based Compensation:

Beginning in 2006, the Company granted the named executive officers the right to elect to receive any or all of their base pay or base pay increases in any given year in restricted stock in lieu of cash. The election is made as of the first of the year. The shares are issued as of the first of the year and vest quarterly at 25% per quarter. The officers are responsible for all applicable taxes associated with such shares and are entitled to all rights and voting privileges with respect to such shares.

The following table summarizes the individual elections in 2007 made by the named executive officers to have shares issued in lieu of cash compensation:

Non-Qualified Stock Options

Beginning in 2006, the Company began using performance shares in lieu of stock options as the primary incentive for the named executive officers due to the regulatory reporting requirements and the preference towards stock awards as a primary form of long term incentive compensation. The Compensation Committee has not granted any stock options to the named executive officers since 2005. At December 31, 2007, the Company currently has two (2) non-qualified stock option grants outstanding with grant dates, vesting dates, percent exercisable, and termination dates as follows:

We reserve the right at any time to grant options under our stock option plan.

Executive Retirement Plans

The Company maintains two non-qualified executive retirement plans (“Plan A” for Mr. Hassler and Mr. Nemeth) (“Plan B” for Mr. Lee) for its key executives.

Plan A:

According to the provisions of Plan A, Mr. Hassler and Mr. Nemeth upon vesting are entitled to receive annually 40% of their respective highest annual base wages earned in the last three years prior to retirement or termination from the Company paid over ten years in 520 consecutive weekly payments. Mr. Hassler became fully vested when he turned age 60. Mr. Nemeth became fully vested in the plan on May 18, 2007 pursuant to a change of control event, which occurred on May 18, 2007 in conjunction with the Adorn Acquisition and the Company’s private placement of shares to Tontine.

Plan B:

According to the provisions of Plan B and upon vesting, Mr. Lee is entitled to receive annually upon the attainment of age 60, 40% of his highest annual base wage earned in the three years prior to retirement or termination from the Company paid over ten years in 520 consecutive weekly payments. Pursuant to the terms of the plan, Mr. Lee may retire at any time upon achieving age 60 and prior to age 65 with a 5% penalty per year. The vesting provisions for Plan B include 0% vesting for years of service up to 10 years, at which point the employee becomes 50% vested. For each year of service after attaining 10 years of service, the employee vests an additional 5% to a maximum of 100% at the culmination of 20 years of consecutive service. As of December 31, 2007, Mr. Lee is not vested in this plan.

Plan A and Plan B:

Employees are invited to participate in the plan upon approval by the Board of Directors. The employee makes no contributions to the plan and the retirement benefits are unfunded. The Company purchases and is the owner of life insurance policies on certain executives which accumulate cash value as a potential source of funding, if required. The benefits under the plan are unsecured and subject to substantial risk in the event of bankruptcy or other insolvency matters. These benefits are not taxable to the employee until received and vest upon a change in control as defined in the plans, the employee achieving 25 years of continuous service under Plan A and 20 years of continuous service under Plan B, the employee reaching age 65, or a combination of the employee’s age and years of service equaling 85. The provisions of the agreement provide for benefits payable in the event of death or disability. All named executive officers, except Mr. Cleveland, are participants in this plan.

Perquisites

We believe in a performance based compensation and benefits package and therefore provide very few perquisites to our named executives. We do not provide the personal use of a company airplane, nor does the Company provide security at a personal residence, commuting expenses, personal travel using vehicles owned or leased by the Company, housing and other living expenses, clerical or secretarial services for personal matters, club memberships not exclusively used for business purposes, personal financial or tax advice or investment management

services, or tax planning, financial planning, or tax preparation costs. We provide a car allowance to our named executives, corporate managers, and general managers, all of which are included as taxable income.

Benefit Plans

We do not maintain separate benefit plans for our named executive officers. They participate in the same health and welfare plans as all of our other general employees with the same deductibles and co-pays. The named executive officers also participate in the same 401(k) retirement program as all of the other general employees.

Potential Payments Upon Termination and Following a Change in Control for Fiscal Year 2007

We believe that the Company should provide reasonable severance benefits to our named executive officers and other general employees that are fair and commensurate with their job duties, functions, and responsibilities. We believe it is important to protect our key employees in the event of a change in control and it is also in the best interest of the Company to obtain a release from employees whose employment is terminated as well as a non-compete agreement from certain employees in the form of a severance agreement. The following table summarizes the severance agreements at December 31, 2007 for our named executives in the event they are terminated without

Under the Agreements, voluntary termination with or without good reason, death, disability or retirement, shall not result in any obligation of the Company to make payments.

Director Compensation

Non-employee directors are paid an annual retainer of \$5,000, \$1,000 for each board meeting and conference call they attend, and \$1,000 for each committee meeting they attend with a maximum of \$2,000 per combined event. On April 10, 2007, in connection with the financing of the Adorn Acquisition, we entered into a securities purchase agreement with Tontine for the private placement of shares of our common stock. Under the terms of the securities purchase agreement, we sold 980,000 shares of common stock to Tontine at \$11.25 per share for an aggregate purchase price of \$11,025,000. In addition, under the securities purchase agreement, Tontine provided interim debt financing to us in the aggregate amount of \$13,975,000 in exchange for the Notes. In connection with these transactions, we entered into the Amended and Restated Registration Rights Agreement with Tontine. Pursuant to the Amended and Restated Registration Rights Agreement, in December 2007, we registered for resale 2,293,089 shares of our common stock then held by Tontine.

On September 17, 2007, we entered into a standby purchase agreement with Tontine under which Tontine agreed to certain standby commitments with regard to a planned rights offering to our shareholders. Under the standby purchase agreement, Tontine agreed to purchase (i) its pro rata portion of the shares offered in the planned rights offering and (ii) any shares that were unsubscribed for by other shareholders at the close of the rights offering. The price per share to be paid by Tontine was equal to the \$11.25 per share subscription price to be offered in the rights offering. This planned rights offering was replaced by the March 2008 sale of shares to Tontine and the currently proposed Rights Offering (each described below).

On March 10, 2008, we entered into a second securities purchase agreement providing for the private placement of shares of our common stock. Under the terms of the securities purchase agreement, we sold 1,125,000 shares of common stock to Tontine at \$7.00 per share for an aggregate purchase price of \$7,875,000. Proceeds from the sale of common stock were used to prepay approximately \$7.7 million of the \$14.8 million in principal then outstanding under the Notes issued to Tontine in May 2007, and to pay related accrued interest due to Tontine.

On March 10, 2008, we entered into the Standby Purchase Agreement with Tontine in connection with the proposed Rights Offering of approximately 1,850,000 additional shares of common stock to our shareholders (see Proposal 3). Pursuant to the Standby Purchase Agreement, Tontine has agreed to purchase (i) its pro rata portion of the shares offered in the Rights Offering and (ii) those shares that are unsubscribed for by other shareholders at the close of the Rights Offering at the same price of \$7.00 per share being offered to our shareholders in the Rights Offering. We will use the net proceeds from the Rights Offering to prepay the remaining principal balance on the Notes, to pay related accrued interest due to Tontine under the Notes, and to reduce borrowings under our senior secured credit facility.

On March 10, 2008, in connection with the Standby Purchase Agreement, we entered into a termination agreement with Tontine, pursuant to which we and Tontine terminated the standby purchase agreement that was entered into on September 17, 2007, in connection with the previously planned rights offering.

In May 2007 and March 2008 we amended our Rights Agreement to permit the acquisition by Tontine of the shares offered in the private placement transactions and the proposed Rights Offering.

All related party transactions must be approved by a majority of the members of our Board and by a majority of independent and disinterested directors. A proposed related person transaction is generally reported to the Chief Executive Officer or Chief Financial Officer, who assists in gathering the relevant information about the transaction and presents the information to the Board of Directors or one of its Committees. The Board then approves, ratifies, or rejects the transaction. The transactions with Tontine, as described above, were approved by the Board consistent with this policy.

AUDIT COMMITTEE REPORT

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter adopted

by the Board of Directors, include providing oversight of our financial reporting process through periodic meetings with our independent auditors, principal accounting officer and management to review accounting, auditing, internal controls and financial reporting matters. Our management is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on senior management, including senior financial management, and the independent auditors.

We have reviewed and discussed with senior management our audited financial statements included in the 2007 Annual Report to Shareholders. Management has confirmed to us that such financial statements (i) have been prepared with integrity and objectivity and are the responsibility of management and (ii) have been prepared in conformity with accounting principles generally accepted in the United States of America.

We have discussed with Ernst & Young LLP, our independent auditors, the matters required to be discussed by SAS 61 (Communications with Audit Committee). SAS 61 requires our independent auditors to provide us with additional information regarding the scope and results of their audit of our financial statements, including with respect to (i) their responsibility under generally accepted auditing standards, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

We have received from Ernst & Young LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between us and Ernst & Young LLP that in their professional judgment may reasonably be thought to bear on independence. Ernst & Young LLP has discussed its independence with us, and has confirmed in such letter that, in its professional judgment, it is independent from us within the meaning of the federal securities laws.

Based on the review and discussions described above, with respect to our audited financial statements included in our 2007 Annual Report to Shareholders, we have recommended to the Board of Directors that such financial statements be included in our Annual Report on Form 10-K for filing with the SEC.

As specified in the Audit Committee Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that our financial statements are complete and accurate and in accordance with generally accepted accounting principles. That is the responsibility of management and our independent auditors. In giving our recommendation to the Board of Directors, we have relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles and (ii) the report of our independent auditors with respect to such financial statements.

INDEPENDENT PUBLIC ACCOUNTANTS

On April 5, 2007, the Audit Committee appointed Ernst & Young LLP as our independent registered public accounting firm. As noted above, the Audit Committee has appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

Effective April 5, 2007, the Audit Committee approved the dismissal of McGladrey & Pullen, LLP as our independent registered public accounting firm. The reports of McGladrey & Pullen, LLP on our financial statements as of and for the years ended December 31, 2006 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principle. During the year ended December 31, 2006, there were no disagreements with McGladrey & Pullen, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of McGladrey & Pullen, LLP, would have caused McGladrey & Pullen, LLP to make reference thereto in its reports on our financial statements for such year.

Audit Fees

The following table presents fees for professional audit services rendered by Ernst & Young LLP and McGladrey & Pullen, LLP for the audit of our annual financial statements for the years ended December 31, 2007 and 2006, respectively:

	<u>2007</u>	<u>2006</u>
Audit Fees (1)	\$577,050	\$166,185
Audit-Related Fees (2)	44,800	17,870
Tax Services (3)	5,850	30,030

- (1) Audit fees consist of fees for professional services rendered for the audit of our financial statements and review of financial statements included in our quarterly reports and services normally provided by the independent auditor in connection with statutory and regulatory filings or engagements.
- (2) Audit-related fees are fees principally for professional services rendered for the audit of our employee benefit plans and due diligence and technical accounting consulting and research.
- (3) Tax services fees consist of preparation of Federal and State tax returns, assistance with preparation of tax inquiries, primarily from state and local tax authorities, enterprise zone property tax filings, and preparation and review of employee benefit plan filings.
- (4) Other services in 2006 consisted primarily of attendance at board of director meetings. Other services in 2005 consisted primarily of consulting services for strategic planning and executive compensation strategy and wage comparisons.

The Audit Committee has advised us that it has determined that the non-audit services rendered by the our independent auditors during our most recent fiscal year are compatible with maintaining the independence of such auditors.

- 35 -

The Audit Committee has adopted a Pre-Approval Policy for Audit and Non-Audit Services pursuant to which it pre-approves all audit and non-audit services provided by the independent auditors prior to each particular engagement. The Committee has delegated authority to its Chairman to approve proposed services other than the annual audit, tax and quarterly review services, and the Chairman must report any approvals to the balance of the Committee at the next scheduled meeting.

If you would prefer to receive separate copies of a proxy statement or annual report either now or in the future, please contact your bank, broker, or other nominee. Upon written or oral request to Andy L. Nemeth, we will provide a separate copy of the Annual Report for the year ended December 31, 2007 or Notice of Annual Meeting and Proxy Statement.

APPENDIX A

**Article IX
of the Articles of Incorporation
of
Patrick Industries, Inc.**

**Proposed for deletion by vote of shareholders
at the
2008 Annual Meeting of Shareholders**

Article IX - Directors

Section 1. The property, business and affairs of the Corporation shall be managed and controlled by the Board of Directors. The number of directors of the Corporation shall not be less than nine, the exact number of directors to be specified in the By-Laws from time to time, and such number shall be nine until otherwise determined by majority vote of the whole Board. The term "whole Board" means the total number of directors which the Corporation would have if there were no vacancies. Directors need not be stockholders of the Corporation.

Section 2. The Board of Directors shall be divided into three classes, as nearly equal in number as the then total number of directors constituting the whole board permits, with the term of office of one class expiring each year. At the annual meeting of shareholders in 1986 directors of the first class shall be elected to hold office for a term expiring at the next succeeding annual meeting, directors of the second class shall be elected to hold office for a term expiring at the second succeeding annual meeting and directors of the third class shall be elected to hold office for a term expiring at the third succeeding annual meeting. Any vacancies in the Board of Directors for any reason, and any newly created directorships resulting from any increase in the number of directors, may be filled by the Board of Directors, acting by a majority of the directors then in office, although less than a quorum, and any directors so chosen shall hold office until the next election of the class for which such directors shall have been chosen and until their successors shall be elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director. Notwithstanding the foregoing, and except as otherwise required by statute, whenever the holders of any one or more series of Preferred Stock shall have the right, voting separately as a class, to elect one or more directors of the Corporation, the terms of the director or directors elected by such holders shall expire at the next succeeding annual meeting of stockholders. Subject to the foregoing, at each annual meeting of shareholders the successors to the class of directors whose term shall then expire shall be elected to hold office for a term expiring at the third succeeding annual meeting.

Section 3. Nominations for the election of directors may be made by the Board of Directors or by any shareholder entitled to vote for the election of directors. Shareholder nominations shall be made by notice in writing, delivered or mailed by first class United States mail, postage prepaid, to the Secretary of the Corporation not less than 20 days nor more than 50 days prior to any meeting of the shareholders called for the election of directors. Each notice shall set forth (a) the name, age, business address and, if known, residence address of each nominee proposed in such notice, (b) the principal occupation or employment of each such nominee and (c) the number of shares of the Corporation which are beneficially owned by each such nominee. The chairman of the meeting may, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded.

Section 4. Notwithstanding any other provisions of these Articles of Incorporation or the By-Laws of the Corporation, the power to remove directors of the Corporation is expressly reserved to the Board of Directors, by the affirmative vote of a majority of the whole Board.

(a) **Organization and Qualification.** The Company has no subsidiaries other than the Subsidiaries. The Company and each of its Subsidiaries is a corporation or limited liability company, duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is incorporated or organized, with corporate power and authority to own, lease, use and operate its properties and to carry on its business as now operated and conducted. The Company and each of its Subsidiaries is duly qualified as a foreign corporation or limited liability company to do business and is in good standing in each jurisdiction in which its ownership or use of property or the nature of the business conducted by it makes such qualification necessary, except where the failure to be so qualified or in good standing would not have a Material Adverse Effect. Neither the Company nor any Subsidiary is in violation of any provision of its respective certificate or articles of incorporation, articles of organization, partnership agreement, bylaws or other organizational or charter documents, as the same may have been amended.

(b) **Authorization; Enforcement.** This Agreement has been duly and validly authorized, executed and delivered by the Company and, subject to approval by the Company's shareholders, constitutes a binding obligation of the Company enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

(c) **Capitalization.** The authorized capital stock of the Company consists of (i) 20,000,000 shares of Common Stock, of which 6,008,033 shares are issued and outstanding; and (ii) 1,000,000 shares of Preferred Stock, of which no shares are issued and outstanding, as of the date hereof. As of the date of this Agreement, except as set forth on Schedule 3(c) or disclosed in the Company's Proxy Statement filed on October 9, 2007, (A) there are no outstanding options, warrants, scrip, rights to subscribe for, puts, calls, rights of first refusal, agreements, understandings, claims or other commitments or rights of any character whatsoever relating to, or securities or rights convertible into or exchangeable for any shares of capital stock of the Company or any of its Subsidiaries, or arrangements by which the Company or any of its Subsidiaries is or may become bound to issue additional shares of capital stock and (B) there are no agreements or arrangements under which the Company or any of its Subsidiaries is obligated to register the sale of any of its or their securities under the 1933 Act (except the Registration Rights Agreement). All of the outstanding shares of Common Stock have been duly authorized, are validly issued, fully paid and nonassessable and were offered, sold and issued in compliance with all applicable federal and state securities laws and without violating any contractual obligation or any other preemptive or similar rights.

(d) **No Conflicts.** The execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby will not (i) conflict with or result in a violation of any provision of the Articles of Incorporation, as amended, of the Company or the Bylaws, as amended, of the Company, (ii) violate or conflict with, or result in a breach of

any provision of, or constitute a default (or an event which with notice or lapse of time or both could become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, indenture, patent, patent license or instrument to which the Company or any of its Subsidiaries is a party, or (iii) result in a violation of any Legal Requirement (including federal and state securities laws and regulations and regulations of any self-regulatory organizations to which the Company or its securities are subject) applicable to the Company or any of its Subsidiaries or by which any property or asset of the Company or any of its Subsidiaries is bound or affected (except for such conflicts, defaults, terminations, amendments, accelerations, cancellations and violations as would not, individually or in the aggregate, have a Material Adverse Effect). Neither the Company nor any of its Subsidiaries is in violation of its Certificate or Articles of Incorporation, bylaws or other organizational documents and neither the Company nor any of its Subsidiaries is in default (and no event has occurred which with notice or lapse of time would result in a default) under, and neither the Company nor any of its Subsidiaries has taken any action or failed to take any action that would give to others any rights of termination, amendment, acceleration or cancellation of, any agreement or instrument to which the Company or any of its Subsidiaries is a party or by which any property or assets of the Company or any of its Subsidiaries is bound or affected, except for possible defaults as would not, individually or in the aggregate, have a Material Adverse Effect. Except with respect to any filings or notices related to the issuance of the New Shares and the Securities to be filed with Nasdaq, if any, and as required under the Securities Act and any applicable state securities laws, the Company is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court, governmental agency, regulatory agency, self regulatory organization or stock market or any third party in order for it to execute, deliver or perform any of its obligations under this Agreement. All consents, authorizations, orders, filings and registrations that the Company is required to effect or obtain pursuant to the preceding sentence have been obtained or effected on or prior to the date hereof.

(c) **SEC Documents: Financial Statements**

(i) Since December 31, 2005, the Company has timely filed all reports, schedules, forms, statements and other documents required to be filed by it with the Commission pursuant to the reporting requirements of the Securities Act and the Exchange Act (all of the foregoing filed prior to the date hereof and all exhibits included therein and financial statements and schedules thereto and documents (other than exhibits to such documents) incorporated by reference therein, being hereinafter referred to herein as the “**SEC Documents**”), or has timely filed for a valid extension of such time of filing and has filed any such SEC Documents prior to the expiration of any such extension. As of their respective dates, the SEC Documents complied in all material respects with the requirements of the Securities Act and the Exchange Act and the rules and regulations of the Commission promulgated thereunder applicable to the SEC Documents, and none of the SEC Documents, at the time they were filed with the Commission, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(ii) As of their respective dates, the financial statements of the Company included in the SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the Commission with respect thereto. Such financial statements have been prepared in accordance with United States generally accepted accounting principles (“**GAAP**”), consistently applied, during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may not include footnotes, year end adjustments or may be condensed or summary statements) and fairly present in all material respects the consolidated financial position of the Company and its consolidated Subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). Except as set forth in the financial statements of the Company included in the

SEC Documents, the Company has no liabilities, contingent or otherwise, other than (i) liabilities incurred in the ordinary course of business subsequent to December 31, 2006, and (ii) obligations under contracts and commitments incurred in the ordinary course of business and not required under generally accepted accounting principles to be reflected in such financial statements, which, individually or taken in the aggregate would not reasonably be expected to have a Material Adverse Effect.

(iii) Except as set forth on Schedule 3(e), the Company has established and maintains disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Exchange Act).

The Prospectus, at the time the Rights Offering Registration Statement becomes effective and at the Closing Date, will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that the representations and warranties in this subsection shall not apply to statements in or omissions from the Rights Offering Registration Statement or the Prospectus made in reliance upon and in conformity with the information furnished to the Company in writing by the Standby Purchasers for use in the Rights Offering Registration Statement or in the Prospectus.

(h) **Proxy Statement.** The Proxy Statement will not, on the date it is first mailed to shareholders of the Company, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading and will not, at the time the shareholders of the Company vote at a meeting of the shareholders of the Company, to approve (i) the Rights Offering and (ii) this Agreement and the transactions hereunder (the "**Company Shareholder Approval**") omit to state any material fact necessary to correct any statement in any earlier communication from the Company with respect to the solicitation of proxies for the Company Shareholder Approval which shall have become false or misleading in any material respect. The Proxy Statement will comply as to form in all material respects with the applicable requirements of the Exchange Act. Notwithstanding the foregoing, the Company makes no representation or warranty with respect to information furnished to the Company in writing by the Standby Purchasers for inclusion or incorporation by reference in any of the foregoing documents.

(i) **Prospectus.** The documents incorporated by reference into the Prospectus, when they become effective or at the time they are filed with the Commission, as the case may be, will comply in all material respects with the applicable provisions of the Exchange Act.

(j) **Valid Issuance.** All of the Securities and New Shares will have been duly authorized for issuance prior to the Closing (assuming Company Shareholder Approval has been obtained), and, when

issued and distributed as set forth in the Prospectus, will be validly issued, fully paid and non-assessable; and none of the Securities or New Shares will have been issued in violation of the preemptive rights of any security holders of the Company arising as a matter of law or under or pursuant to the Company's Articles of Incorporation, as amended, the Company's Bylaws, as amended, or any agreement or instrument to which the Company is a party or by which it is bound.

(k) **Absence of Litigation.** There is no Action pending or, to the knowledge of the Company or any of its Subsidiaries, threatened against or affecting the Company or any of its Subsidiaries that (i) adversely affects or challenges the legality, validity or enforceability of this Agreement, or (ii) would, if there were an unfavorable decision, have or reasonably be expected to have a Material Adverse Effect. Neither the Company nor any of its Subsidiaries, nor any director or officer thereof (in his or her capacity as such), is or has been the subject of any Action involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty. (m) **Tax Status.** The Company and each of its Subsidiaries has made or filed all federal, state and foreign income and all other material tax returns, reports and declarations required by any jurisdiction to which it is subject (unless and only to the extent that the Company and each of its Subsidiaries has set aside on its books provisions reasonably adequate for the payment of all unpaid and unreported taxes) and has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and has set aside on its books provisions reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company know of no basis for any such claim. The Company has not executed a waiver with respect to the statute of limitations relating to the assessment or collection of any foreign, federal, state or local tax.

(n) **Permits: Compliance.**

(i) The Company and each of its Subsidiaries is in possession of all franchises, grants, authorizations, licenses, permits, easements, variances, exemptions, consents, certificates, approvals and orders necessary to own, lease and operate its properties and to carry on its business as it is now being conducted (collectively, "**Permits**"), and there is no Action pending or, to the knowledge of the Company, threatened regarding suspension or cancellation of any of the Permits. (ii) Except as set forth on Schedule 3(n), since December 31, 2006, no event has occurred or, to the knowledge of the Company, circumstance exists that (with or without notice or lapse of time): (a) would reasonably be expected to constitute or result in a violation by the Company or any of its Subsidiaries, or a failure on the part of the Company or its Subsidiaries to comply with, any Legal Requirement; or (b) would reasonably be expected to give rise to any obligation on the part of the Company or any of its Subsidiaries to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement, except in either case that would not reasonably be expected to have a Material Adverse Effect. Except as set forth on Schedule 3(n), neither the Company nor any of its Subsidiaries has received any notice or other communication from any regulatory authority or any other person, nor does the Company have any knowledge regarding: (x) any actual, alleged, possible or potential violation of, or failure to comply with, any Legal Requirement, or (y) any actual, alleged, possible or potential obligation on the part of the Company or any of its Subsidiaries to undertake, or to bear all or any portion of the cost of, any remedial action of any nature in connection with a failure to comply with any Legal Requirement, except in either case that would not reasonably be expected to have a Material Adverse Effect.

(iii) The Company is in compliance in all material respects with the provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder that are applicable to it and has taken reasonable steps such that the Company expects to be in a position to comply with the requirements of Section 404 of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder at such time as Section 404 becomes applicable to the Company.

Except for such matters as could not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect: (i) the Company and its Subsidiaries have complied and are in compliance with all applicable Environmental Laws; (ii) without limiting the generality of the foregoing, the Company and its Subsidiaries have obtained, have complied, and are in compliance with all Permits that are required pursuant to Environmental Laws for the occupation of their respective facilities and the operation of their respective businesses; (iii) none of the Company or its Subsidiaries has received any written notice, report or other information regarding any actual or alleged violation of Environmental Laws, or any liabilities or potential liabilities (including fines, penalties, costs and expenses), including any investigatory, remedial or corrective obligations, relating to any of them or their respective facilities arising under Environmental Laws, nor, to the knowledge of the Company is there any factual basis therefore; (iv) there are no underground storage tanks, polychlorinated biphenyls, urea formaldehyde or other hazardous substances

(other than small quantities of hazardous substances for use in the ordinary course of the operation of the Company's and its Subsidiaries' respective businesses, which are stored and maintained in accordance and in compliance with all applicable Environmental Laws), in, on, over, under or at any real property owned or operated by the Company and/or its Subsidiaries; (v) there are no conditions existing at any real property or with respect to the Company or any of its Subsidiaries that require remedial or corrective action, removal, monitoring or closure pursuant to the Environmental Laws and (vi) to the knowledge of the Company, neither the Company nor any of its Subsidiaries has contractually, by operation of law, or otherwise amended or succeeded to any liabilities arising under any Environmental Laws of any predecessors or any other Person.

(p) **Title to Property.** Except for any lien for current taxes not yet delinquent or which are being contested in good faith and by appropriate proceedings and except as set forth on Schedule 3(p), the Company and its Subsidiaries have good and marketable title to all real property and all personal property owned by them which is material to the business of the Company and its Subsidiaries. Any leases of real property and facilities of the Company and its Subsidiaries are valid and effective in accordance with their respective terms, except as would not have a Material Adverse Effect.

(q) **No Investment Company or Real Property Holding Company.** The Company is not, and upon the issuance and following the transactions contemplated by this Agreement will not be, an "investment company" as defined under the Investment Company Act of 1940 ("**Investment Company**"). The Company is not controlled by an Investment Company. The Company is not a United States real property holding company, as defined under the Internal Revenue Code of 1986, as amended (the "**Code**").

(r) **No Brokers.** The Company has taken no action which would give rise to any claim by any person for brokerage commissions, transaction fees or similar payments relating to this Agreement or the transactions contemplated hereby.

(w) **Insurance.** The Company and its Subsidiaries have insurance policies in full force and effect of a type, covering such risks and in such amounts, and having such deductibles and exclusions as are customary for conducting businesses and owning assets similar in nature and scope to those of the Company and its Subsidiaries. The amounts of all such insurance policies and the risks covered thereby are in accordance in all material respects with all material contracts and agreements to which the Company and/or its Subsidiaries is a party and with all applicable Legal Requirements. With respect to each such insurance policy: (i) the policy is valid, outstanding and enforceable in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws in effect that limit creditors' rights generally, equitable limitations on the availability of specific remedies and principles of equity (regardless of whether such enforcement is considered in a proceeding in law or in equity); (ii) neither the Company nor any of its Subsidiaries is in breach or default with respect to its obligations thereunder in any material respect; and (iii) no party to the policy has repudiated, or given notice of an intent to repudiate, any provision thereof.

(x) **Approved Acquisitions of Securities; No Anti-Takeover Provisions.** Prior to Closing, the Company will have taken all necessary action, if any, required under the laws of the State of Indiana or otherwise to allow the Standby Purchasers to acquire the Securities pursuant to this Agreement, including the adoption of irrevocable resolutions approving and exempting from the restrictions in Section 18 and Section 19 of Chapter 43 of the IBCL the transactions contemplated by this Agreement. Without limitation of the foregoing, the Company will have not amended its Bylaws to opt in to the provisions of the IBCL pertaining to the acquisition of a controlling interest (IBCL 23-1-42-1 through 23-1-42-11) with respect to the acquisition by the Standby Purchasers of the Securities. Except for the Rights Agreement, the Company has no control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the Company's Articles of Incorporation or Bylaws, each as amended (or similar charter documents), that is or could become applicable to the Standby Purchasers as a result of the Standby Purchasers and the Company fulfilling their obligations or exercising their rights under this Agreement, including without limitation the Company's issuance of the Securities and the Standby Purchasers' ownership of the Securities. Prior to Closing, the Company will have amended the Rights Agreement, dated March 21, 2006, as amended, by and between the Company and National City Bank, as Rights Agent (the "**Rights Agreement**"), to accommodate the issuance and sale of the Securities to the Standby Purchasers, in a form reasonably acceptable to the Standby Purchasers.

(z) **Disclosure.** The Company understands and confirms that the Standby Purchasers will rely on the representations and covenants contained herein in effecting the transactions contemplated by this Agreement. All representations and warranties provided to the Standby Purchasers including the disclosures in the Company's disclosure schedules attached hereto furnished by or on behalf of the Company, taken as a whole are true and correct and do not contain any untrue statement of material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of

the circumstances under which they were made, not misleading. No event or circumstance has occurred or information exists with respect to the Company or its Subsidiaries or its or their businesses, properties, prospects, operations or financial conditions, which, under applicable law, rule or regulation, requires public disclosure or announcement by the Company but which has not been so publicly announced or disclosed.

(a) **Organization.** Such Standby Purchaser is a partnership duly organized, validly existing and in good standing under the laws of its jurisdiction of organization.

(b) **Authorization.** This Agreement has been duly and validly authorized, executed and delivered by such Standby Purchaser and constitutes a binding obligation of such Standby Purchaser enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

(c) **Accredited Investor.** Such Standby Purchaser is an "accredited investor" within the meaning of Rule 501(a) under the Securities Act and is acquiring the Securities for investment for its own account, with no present intention of dividing its participation with others (other than in accordance with Section 12 hereof) or reselling or otherwise distributing the same in violation of the Securities Act or any applicable state securities laws.

(d) **Resale of Securities.** Such Standby Purchaser understands that: (i) other than pursuant to the Registration Rights Agreement, the resale of the Securities has not been and is not being registered under the Securities Act or any applicable state securities laws, and the Securities may not be sold or otherwise transferred unless (a) the Securities are sold or transferred pursuant to an effective registration statement under the Securities Act, (b) at the Company's request, such Standby Purchaser shall have delivered to the Company an opinion of counsel (which opinion shall be in form, substance and scope reasonably satisfactory to the Company's counsel) to the effect that the Securities to be sold or transferred may be sold or transferred pursuant to an exemption from such registration, or (c) the Securities are sold pursuant to Rule 144 promulgated under the Securities Act; (ii) any sale of such Securities made in reliance on Rule 144 under the Securities Act may be made only in accordance with the terms of such Rule; and (iii) except as set forth in the Registration Rights Agreement, neither the Company nor any other Person is under any obligation to register such Securities under the Securities Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder. Such Standby Purchaser acknowledges that an appropriate restrictive legend will be placed on the certificate or certificates representing the Securities that may be issued pursuant to this Agreement in a form substantially similar to the legend set forth below (and a stop-transfer order may be placed against transfers of the certificates evidencing such Securities). The legend shall be removed upon the effectiveness of a registration statement filed pursuant to the Registration Rights Agreement.

"THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 (THE "ACT"). THE SHARES MAY NOT BE OFFERED FOR SALE, SOLD, OR OTHERWISE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT, OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE ACT, THE AVAILABILITY OF WHICH IS TO BE ESTABLISHED TO THE SATISFACTION OF THE CORPORATION."

The Company will use its reasonable best efforts to prevent the issuance of any such order or the

(vi) To operate the Company's business in the ordinary course of business consistent with past practice;

(vii) To notify, or to cause the subscription agent for the Rights Offering (the "**Subscription Agent**") to notify the Standby Purchasers, on each Friday during the exercise period of the Rights, or more frequently if reasonably requested by the Standby Purchasers, of the aggregate number of Rights known by the Company or the Subscription Agent to have been exercised pursuant to the Rights Offering as of the close of business on the preceding Business Day or the most recent practicable time before such request, as the case may be;

(c) Public Statements. Neither the Company nor the Standby Purchasers shall issue any public announcement, statement or other disclosure with respect to this Agreement or the transactions contemplated hereby without the prior consent of the other party hereto, which consent shall not be unreasonably withheld or delayed, except (i) if such public announcement, statement or other disclosure is required by applicable law or applicable stock market regulations, in which case the disclosing party shall consult in advance with respect to such disclosure with the other parties to the extent reasonably practicable, or (ii) the filing of an amendment or amendments to Schedule 13D of the Standby Purchasers, to which a copy of this Agreement may be attached as an exhibit thereto.

(d) Rights Agreement. As soon as practicable after the date hereof, the Company shall amend the Rights Agreement to permit the acquisition by the Standby Purchasers and their respective Affiliates of the shares of Common Stock contemplated by Section 2 of this Agreement.

The Company shall furnish the Standby Purchasers with all such statements (financial and otherwise), records and documents or copies thereof, and other information concerning the business and affairs of the Company and its Subsidiaries as the Standby Purchasers shall from time to time reasonably request. The Company further agrees to cause its accountants, attorneys and other representatives to fully cooperate with Standby Purchasers and their representatives in connection with the right of access granted herein.

Section 9. Indemnification and Contribution.

(a) The Company shall indemnify and hold harmless the Standby Purchasers and each other Person who participated in the offering of any Securities hereunder and each other Person, if any, who controls either Standby Purchaser or such participating Person within the meaning of the Securities Act

(all such Persons being hereinafter referred to, collectively, as the **‘Standby Indemnified Persons’**), against any losses, claims, damages or liabilities, joint or several, to which any of the Standby Indemnified Persons may become subject as a result of (i) any breach by the Company of any of its representations or warranties contained herein or in any certificate delivered hereunder or (ii) this Agreement or the performance of the transactions contemplated hereby, including under the Securities Act or any other statute or at common law, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (A) any alleged untrue statement of any material fact contained, on the effective date thereof, in any registration statement under which such securities were registered under the Securities Act, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereto, or (B) any alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and shall reimburse each such Standby Indemnified Person for any reasonable legal or any other expenses reasonably incurred by such Standby Indemnified Person in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company shall not be liable in any such case to any Standby Indemnified Person to the extent that any such loss, claim, damage or liability arises out of or is based upon any actual or alleged untrue statement or actual or alleged omission made in such registration statement, preliminary prospectus, prospectus or amendment or supplement in reliance upon and in conformity with written information furnished to the Company by such Standby Indemnified Person specifically for use therein. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Standby Indemnified Person, and shall survive the transfer of such Securities or New Shares by such Standby Indemnified Person.

(b) Each Standby Purchaser, severally, and not jointly, agrees to indemnify and hold harmless the Company, its directors and officers and each other Person, if any, who controls the Company within the meaning of the Securities Act (all such Persons being hereinafter referred to, collectively, as the **“Company Indemnified Persons”** and together with the Standby Indemnified Persons, the **“Indemnified Persons”**) against any losses, claims, damages or liabilities to which any of the Company Indemnified Persons may become subject (i) as a result of any breach by such Standby Purchaser of any of its representations or warranties contained herein or in any certificate delivered hereunder or (ii) under the Securities Act or any other statute or at common law, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon information provided in writing to the Company by such Standby Purchaser specifically for use in any registration statement under which Securities are registered under the Securities Act at the request of such Standby Purchaser, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereto.

(c) Any Person entitled to indemnification hereunder will (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give such notice shall not limit the rights of such Person, except to the extent the indemnifying party is actually prejudiced thereby) and (ii) unless in such indemnified party’s reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided, however, that any person entitled to indemnification hereunder shall have the right to employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (A) the indemnifying party has agreed to pay such fees or expenses or (B) the indemnifying party shall have failed to assume the defense of such claim and employ counsel reasonably satisfactory to such Person. If such defense is not assumed by the indemnifying party as permitted hereunder, the indemnifying party will not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent will not be unreasonably withheld or delayed). If such defense is assumed by the indemnifying party pursuant to the provisions hereof, such indemnifying party shall not settle or otherwise compromise the applicable claim unless (i) such settlement or compromise contains a full and unconditional release of the indemnified party or (ii) the indemnified party otherwise consents in writing,

which consent shall not be unreasonably withheld or delayed. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party, a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim, in which event the indemnifying party shall be obligated to pay the reasonable fees and disbursements of such additional counsel or counsels.

(d)

(i) If the indemnification provided for in this Section 9 is unavailable to an Indemnified Person hereunder in respect of any losses, claims, damages, liabilities or expenses referred to therein, then the indemnifying party, in lieu of indemnifying such Indemnified Person, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and Indemnified Person in connection with the actions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and Indemnified Persons shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or relates to information supplied by, the indemnifying party or the Indemnified Persons, and their relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with any investigation or proceeding.

(ii) The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 9(d) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

Section 10. Survival. The representations and warranties of the Company and the Standby Purchasers contained in this Agreement or in any certificate delivered hereunder shall survive the Closing hereunder. Notwithstanding anything to the contrary contained in this Agreement, the provisions of Sections 9 through 15 shall survive the termination of this Agreement.

Section 11. Notices. Any notices required or permitted to be given under the terms of this Agreement shall be delivered personally or by courier (including a recognized, receipted overnight delivery service) or by facsimile (with a copy delivered by receipted overnight delivery service) and shall be effective upon receipt, if delivered personally or by courier (including a recognized, receipted overnight delivery service) or by facsimile, in each case addressed to a party. This Agreement, or the Standby Purchasers' obligations and rights hereunder, may be assigned, delegated or transferred, in whole or in part, by either Standby Purchaser to any Affiliate of such Standby Purchaser over which such Standby Purchaser or any of its Affiliates exercises investment authority, including, without limitation, with respect to voting and dispositive rights, provided that any such assignee assumes the obligations of such Standby Purchaser hereunder and agrees to be bound by the terms of this Agreement in the same manner as such Standby Purchaser. Either Standby Purchaser or any of such Standby Purchaser's Affiliates may assign, delegate or transfer, in whole or in part, its Basic Subscription Privilege to any other Affiliate or to the Standby Purchasers. Section 15. Severability. If any provision of this Agreement or the application thereof to any person or circumstances is determined by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions hereof, or the application of such provision to persons or circumstances other than those as to which it has been held invalid or unenforceable, shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby, so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. Upon such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

Section 16. Extension or Modification of Rights Offering. Without the prior written consent of the Standby Purchasers, the Company may (i) waive irregularities in the manner of exercise of the Rights, and (ii) waive conditions relating to the method (but not the timing) of the exercise of the Rights to the extent that such waiver does not materially adversely affect the interests of the Standby Purchasers.

Section 17. Miscellaneous.

(a) The Company shall not after the date of this Agreement enter into any agreement with respect to its securities which is inconsistent with or violates the rights granted to holders of Securities in this Agreement.

(b) The headings in this Agreement are for purposes of reference only and shall not limit or otherwise affect the meaning of this Agreement.

(c) This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which, when taken together, shall constitute one and the same instrument. This Agreement, once executed by a party, may be delivered to the other party hereto by electronic transmission of a copy of this Agreement bearing the signature of the party so delivering this Agreement.
