Item 3. Source and Amount of Funds or Other Consideration

On September 17, 2007, the Company entered into a Standby Purchase Agreement with TCP and TMF (the "Standby Purchase Agreement"), under which the TCP and TMF agreed to certain standby commitments with regard to the Company's planned rights offering to its shareholders (the "Rights Offering"). Under the Standby Purchase Agreement, TCP and TMF have agreed to purchase their pro rata portions of the shares of Common Stock offered in the Rights Offering and to purchase any shares of Common Stock that have not been purchased by the Company's other shareholders at the close of the Rights Offering.

Shares of Common Stock purchased by the Reporting Persons in the Rights Offering and pursuant to the Standby Purchase Agreement shall be purchased with working capital and on margin. The Reporting Persons' margin transactions shall be with UBS Securities LLC, on such firm's usual terms and conditions. All or part of the shares of Common Stock directly owned by the Reporting Persons may from time to time be pledged with one or more banking institutions or

7

brokerage firms as collateral for loans made by such bank(s) or brokerage firm(s) to the Reporting Persons. Such loans bear interest at a rate based upon the broker's call rate from time to time in effect. Such indebtedness may be refinanced with other banks or broker dealers. Mr. Gendell, TCO and TCM do not directly own any shares of Common Stock.

Item 4. Purpose of Transaction

The Reporting Persons shall acquire the shares of Common Stock in the Rights Offering and pursuant to the Standby Purchase Agreement for investment purposes and in the ordinary course of business. The Reporting Persons may acquire additional securities of the Company or dispose of securities of the Company at any time and from time to time in the open market or otherwise. The obligations of TCP and TMF under the Standby Purchase Agreement are subject to certain conditions, which are described in greater detail in Item 6.

Pursuant to a Securities Purchase Agreement by and among TCP, TMF and the Company, dated April 10, 2007 (the "Securities Purchase Agreement"), the Company sold an aggregate of 980,000 shares of Common Stock to TCP and TMF for an aggregate purchase price of \$11,025,000 and received interim debt financing through the issuance of a Senior Subordinated Promissory Note to each of TCP and TMF in the aggregate principal amount of \$13,975,000 (each a "Note" and collectively, the "Notes"). The Company used the proceeds from the sale of Common Stock and the issuance of the Notes to TCP and TMF to complete the acquisition by the Company of Adorn Holdings, Inc., which was completed on May 18, 2007. As described in greater detail in Item 6, pursuant to the Securities Purchase Agreement, so long as the Reporting Persons hold a certain percentage of Common Stock, they have the right to appoint up to two nominees to the Company's Board of Directors. As of the date hereof, the Reporting Persons have not appointed any directors to the Company's Board of Directors. The Company has agreed that, by the date of the Company's 2008 Annual Meeting of Shareholders, it shall limit the number of directors serving on its board to no more than nine directors for so long as the Reporting Persons have the right to appoint a director to the Company's Board of Directors. In addition, the Company approved the acquisition by the Reporting Persons of up to 40% of its outstanding Common Stock, on a fully diluted basis, such that the Reporting Persons were not subject to certain restrictions set forth in the Indiana Business Corporation Law (the "IBCL"). Pursuant to the Securities Purchase Agreement, the Company also agreed that it shall not revoke such approval and that it will use its best efforts to ensure that any future acquisitions by TCP and TMF (up to 40% of the outstanding Common Stock on a fully diluted basis) shall not be subject to anti-takeover provisions included in any of the Company's organizational documents or the laws and regulations of any governmental authority.

The Reporting Persons reserve the right to change their plans or intentions and to take any and all actions that they may deem to be in their best interests.

Except as set forth above, the Reporting Persons do not have any current intention, plan or proposal with respect to: (a) the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Company; (f) any other material change in the Company's business or corporate structure; (g) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; (h) causing a class of securities of the Company to be delisted from a national securities exchange, if any, or cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Company becoming eligible for termination of a registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to any of those enumerated above.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

A. Securities Purchase Agreement

On April 10, 2007, TCP, TMF and the Company entered into the Securities Purchase Agreement, pursuant to which the Company (i) sold 980,000 shares of Common Stock at \$11.25 per share, of which TCP purchased 521,380 shares and TMF purchased 458,620 shares for an aggregate purchase price of \$11,025,000.00 and (ii) issued Notes to each of TCP and TMF in the aggregate principal amount of \$13,975,000. The transactions contemplated by the Securities Purchase Agreement were consummated on May 18, 2007. Pursuant to the Securities Purchase Agreement, the Company agreed to use the proceeds from the sale of the Common Stock and the issuance of the Notes to TCP and TMF to complete the acquisition by the Company of Adorn Holdings, Inc., which was also completed on May 18, 2007. Under the Securities Purchase Agreement, so long as the Reporting Persons (i) hold between 7.5% and 14.9% of the Common Stock then outstanding, they have the right to appoint one nominee to the Company's Board of Directors and (ii) hold at least 15.0% of the Common Stock then outstanding, they have the right to appoint two nominees to the Company's Board of Directors. The Company agreed to limit, by the date of the Company's 2008 Annual Meeting of Shareholders, the number of directors serving on its Board to no more than nine directors for so long as the Reporting Persons have the right to appoint a director to the Company's Board of Directors. Under the terms of the Securities Purchase Agreement, the sale of the Common Stock was subject to certain conditions, including, among others, (i) the execution of the Registration Rights Agreement as described in greater detail in this Item 6 below; (ii) that the Company amend the Rights Agreement, dated March 21, 2006, as amended, by and between the Company and National City Bank, as Rights Agent (the "Rights Agreement"); and (iii) that all of the conditions necessary for the acquisition of Adorn Holdings, Inc. were satisfied. In addition, the Company approved the acquisition by the Reporting Persons of up to 40% of its outstanding Common Stock, on a fully diluted basis, such that the Reporting Persons will not be subject to certain restrictions set forth in the Indiana Business Corporation Law. The Company also agreed that it shall not revoke such approval and that it will use its best efforts to ensure that any future acquisitions by TCP and TMF (up to 40% of the outstanding Common Stock on a fully diluted basis) shall not be subject to anti-takeover provisions included in any of the Company's organizational documents or the laws, regulations of any governmental authority. The Securities Purchase Agreement also contained standard representations and warranties, as well as other customary terms and conditions.

B. Amended and Restated Registration Rights Agreement

On May 18, 2007, TCP, TMF and the Company entered into an Amended and Restated Registration Rights Agreement (the "Registration Rights Agreement"). Pursuant to the Registration Rights Agreement, the Company is required to file a shelf registration statement and grant to TCP and TMF (and their qualifying transferees), certain demand and "piggyback" registration rights in connection with their shares of Common Stock. The registration rights granted under the

Registration Rights Agreement terminate with respect to TCP and TMF (and any of their qualifying transferees) when such party no longer holds any Registrable Securities (as defined in the Registration Rights Agreement). With the exception of certain expenses, such as underwriting discounts and commissions, the Company has agreed to pay all expenses incident to its performance of or compliance with the Registration Rights Agreement, including the reasonable fees and expenses of counsel retained by the holders of registrable securities requested to be included in a registration statement.

C. Notes

On May 18, 2007, pursuant to the Securities Purchase Agreement, TCP and TMF provided interim debt financing in the aggregate principal amount of \$13,975,000.00 (of which \$2,795,000 was provided by TMF and \$11,180,000 was provided by TCP), in exchange for the Notes issued by the Company in like principal amount. The Notes have a term of three years and shall be repaid as follows: (i) on the first anniversary, 10% of the original principal amount, (ii) on the second anniversary, 40% of the original principal amount and (iii) a final payment of the outstanding principal balance together with any accrued and unpaid interest thereon due at maturity. Interest shall be payable in cash or in kind at a rate of 9.5% per annum for the first year and 13.5% per annum for the period thereafter. The Notes are unsecured and subordinate to the Company's Senior Debt (as defined in the Notes).

D. Standby Purchase Agreement

On September 17, 2007, TCP, TMF and the Company entered into the Standby Purchase Agreement, pursuant to which TCP and TMF have agreed to certain standby commitments with regard to the Company's planned Rights Offering. In connection with the Rights Offering, the Company intends to grant each of its shareholders one right to purchase a fraction of a share of Common Stock from the Company at a set subscription price for each share of Common Stock owned by the shareholder as of a yet to-be-determined record date. Pursuant to the Standby Purchase Agreement, TCP and TMF have agreed to purchase from the Company all of the shares of Common Stock that will be available in the Rights Offering for purchase by TCP and TMF as shareholders of the Company. Furthermore, pursuant to the Standby Purchase Agreement, TCP and TMF have agreed to purchase any shares of Common Stock that have not been purchased by the Company's other shareholders at the close of the Rights Offering (the "Unsubscribed Shares"). TCP and TMF will pay the same price per share for the Unsubscribed Shares as the subscription price per share offered in the Company's Rights Offering. TCP and TMF have reserved the right to determine the allocation of the Unsubscribed Shares purchased by them so long as they purchase 100% of the Unsubscribed Shares in the aggregate. Pursuant to the Registration Rights Agreement, the shares of Common Stock purchased by TCP and TMF in the Rights Offering and pursuant to the Standby Purchase Agreement will be eligible to be registered for resale. The Company has agreed that it will use the proceeds from the Rights Offering and the transactions contemplated by the Standby Purchase Agreement to prepay, in part, the Notes. Under the terms of the Standby Purchase Agreement, the obligations of TCP and TMF to purchase any shares in the Rights Offering or the Unsubscribed Shares is subject to certain conditions, including, among others, that as of the closing of the transactions contemplated by the Standby Purchase Agreement (i) the Company will have taken all necessary actions such that the purchase of Common Stock by TCP and TMF will not be subject to certain restrictions set forth in Section 18 and 19 of Chapter 43 of the IBCL; (ii) the Company will not have amended its bylaws to opt in to the control-share provisions of the IBCL; (iii) the Company will have amended the Rights Agreement to accommodate the issuance and sale of Common Stock to TCP and TMF in the Rights Offering and pursuant to the Standby Purchase Agreement; and (iv) the Company shall have increased the number of authorized shares of Common Stock in its Articles of Incorporation to 20,000,000. The Standby Purchase Agreement also contains standard representations and warranties, as well as other customary terms and conditions.

The foregoing summaries of the Securities Purchase Agreement, the Registration Rights Agreement, the Notes and the Standby Purchase Agreement do not purport to be complete and are qualified in their entirety by reference to Exhibits 1 through 5, which are incorporated by reference herein.

Except as described herein, the Reporting Persons do not have any contracts, arrangements, understandings or relationships (legal or otherwise) with any person with respect to any securities of the Company, including but not limited to the transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies.
