**Patrick Industries, Inc. Added to the Russell 3000® and
Russell 2000® Indexes**

ELKHART, IN – June 25, 2012 – Patrick Industries, Inc. (NASDAQ: PATK), a major manufacturer and distributor of building and component products for the recreational vehicle, manufactured housing, and industrial markets, announced today that it has been added to the U.S. broad-market Russell 3000® Index and small cap Russell 2000® Index as posted by Russell Investments on June 25, 2012 at www.russell.com.

“We are honored to have joined the prestigious group of companies that comprise the Russell 3000® Index,” said Todd Cleveland, President and Chief Executive Officer. “The Russell designation represents a significant milestone in Patrick’s 53 year history that will bring additional visibility to our company and our strategic initiatives as we strive to continue to create long-term value for our shareholders.”

The annual reconstitution of Russell’s U.S. indexes captures the largest 4,000 U.S. stocks as of the end of May, ranking them by total market capitalization. Russell determines membership for its equity indexes primarily by objective, market-capitalization rankings and style attributes. The Russell 3000® also serves as the U.S. component to the Russell Global Index.

Russell indexes are widely used by investment managers and institutional investors worldwide for index funds and as benchmarks for both passive and active investment strategies. An industry leading \$3.9 trillion in institutional assets are currently benchmarked to them. Russell calculates more than 80,000 benchmarks daily covering approximately 98 percent of the investable market globally, 83 countries and more than 10,000 securities.

About Russell
