PURCHASE AGREEMENT

September 12, 2019

Wells Fargo Securities, LLC
As Representative of the several Initial Purchasers
c/o Wells Fargo Securities, LLC
301 S. College Street
Charlotte, North Carolina 28288

Ladies and Gentlemen:

Patrick Industries, Inc., an Indiana corporation (the "Company"), confirms its agreement with Wells Fargo Securities, LLC ("Wells Fargo") and each of the other Initial Purchasers named on Exhibit A hereto (collectively, the "Initial Purchasers," which term shall also include any person substituted for an Initial Purchaser pursuant to Section 10 hereof), for whom Wells Fargo is acting as representative (in such capacity, the "Representative"), with respect to the issue and sale by the Company and the purchase by the Initial Purchasers, acting severally and not jointly, of \$300,000,000 in aggregate principal amount of the Company's 7.50% Senior Notes due 2027 (the "Securities"). The Securities will be issued pursuant to an Indenture to be dated as of September 17, 2019 (the "Indenture") among the Company, the Guarantors referred to below, and U.S. Bank National Association, as trustee (the "Trustee"). The Company's obligations under the Securities, including the due and punctual payment of interest on the Securities, will be irrevocably and unconditionally guaranteed on a senior unsecured basis (the "Guarantees") by the guarantors named on Exhibit B hereto (together, the "Guarantors"). As used herein, the term "Securities" shall include the Guarantees, unless the context otherwise requires. Certain terms used in this purchase agreement (this "Agreement") are defined in Section 15 hereof.

The Securities will be offered and sold to the Initial Purchasers without registration under the 1933 Act, in reliance on the exemption provided by Section 4(a)(2) of the 1933 Act. The Company and the Guarantors have prepared a preliminary offering memorandum, dated September 9, 2019 (the "Preliminary Offering Memorandum"), a pricing term sheet substantially in the form attached hereto as Exhibit D (the "Pricing Term Sheet") setting forth the terms of the Securities omitted from the Preliminary Offering Memorandum and an offering memorandum, dated September 12, 2019 (the "Offering Memorandum"), setting forth information regarding the Company and the Securities. The Preliminary Offering Memorandum, as supplemented and amended as of the Applicable Time, together with the Pricing Term Sheet and any of the documents listed on Exhibit E hereto are collectively referred to as the "General Disclosure Package." The Company and the Guarantors hereby confirm that they have authorized the use of the General Disclosure Package and the Offering Memorandum in connection with the offering and resale of the Securities by the Initial Purchasers.

Concurrently with the offer and sale of the Securities, the Company intends to enter into a new Third Amended and Restated Credit Agreement, to be dated as of the Closing Date, among the Company, as Borrower, the Guarantors, the lenders from time to time party thereto, and Wells Fargo Bank, National Association, as administrative agent (the "Senior Credit Facility"). The proceeds of the initial borrowings under the Senior Credit Facility, together with the net proceeds of the offering of Securities, will be used to repay outstanding borrowings under the Company's existing Second Amended and Restated Credit Agreement, as described in the General Disclosure Package.

You have advised the Company that you will offer and resell (the "Exempt Resales") the Securities purchased by you hereunder on the terms set forth in each of the General Disclosure Package and the Offering Memorandum, as amended or supplemented, solely (i) to persons whom you reasonably believe to be "qualified institutional buyers" as defined in Rule 144A under the 1933 Act ("QIBs") and (ii) outside the United States to non-U.S. persons in compliance with Regulation S under the 1933 Act ("Regulation S"). Those persons specified in clauses (i) and (ii) of this paragraph are referred to herein as "Eligible Purchasers."

SECTION 1. Representations and Warranties.

(a) Representations and Warranties by the Company and the Guarantors. The Company and each Guarantor, jointly and severally, represent and warrant to each Initial Purchaser as of the date hereof, as of the Applicable Time, and as of the Closing Date referred to in Section 2(b) hereof, and agree with each Initial Purchaser, as follows:

(1) Rule 144A Information. Each of the Preliminary Offering Memorandum, the General Disclosure Package and the Offering Memorandum, each as of its respective date, contains all the information required by Rule 144A(d)(4) under the 1933 Act.

(2) No Stop Orders. The Preliminary Offering Memorandum, the General Disclosure Package and the Offering Memorandum have been prepared by the Company and the Guarantors for use by the Initial Purchasers in connection with the Exempt Resales. No order or decree preventing the use of the Preliminary Offering Memorandum, the General Disclosure Package or the Offering Memorandum, or any order asserting that the transactions contemplated by this Agreement are subject to the registration requirements of the 1933 Act has been issued, and no proceeding for that purpose has commenced or is pending or, to the knowledge of the Company or any of the Guarantors is contemplated.

(3) No Material Misstatement or Omission. (i) The Preliminary Offering Memorandum, as of the date thereof, did not include any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, (ii) the General Disclosure Package, as of the Applicable Time, did not include any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, (iii) the Offering Memorandum, as of the date thereof, did not and, at the Closing Date, will not include any untrue statement of a material fact or omit to state a material fact necessary to

make the statements therein, in the light of the circumstances under which they were made, not misleading and (iv) each Issuer Free Writing Document (as defined below), when taken together with the General Disclosure Package, did not, and, at the Closing Date, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The representations and warranties in the preceding paragraph do not apply to statements in or omissions from the Preliminary Offering Memorandum, the Offering Memorandum, the General Disclosure Package, any Issuer Free Writing Document or any amendment or supplement to any of the foregoing made in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Initial Purchaser through the Representative expressly for use therein, it being understood and agreed that the only such information furnished by the Initial Purchasers as aforesaid consists of the information described as such in Section 6(b) hereof.

(4) Reporting Compliance. The Company is subject to, and is in full compliance in all material respects with, the reporting requirements of Section 13 and Section 15(d), as applicable, of the 1934 Act.

(5) Independent Accountants. (i) During the three years ended December 31, 2018 and the six months ended June 30, 2018 covered by the financial statements contained in the Offering Memorandum and the General Disclosure Package, Crowe LLP were independent public accountants with respect to the Company as required by the rules of the Public Company Accounting Oversight Board and the 1933 Act and the 1934 Act and the rules and regulations thereunder and (ii) Deloitte & Touche LLP are independent public accountants with respect to the Company as required by the rules of the Public Company Accounting Oversight Board and the 1933 Act and the 1934 Act and the rules and regulations thereunder.

(6) Financial Statements. The financial statements of the Company included in the General Disclosure Package and the Offering Memorandum, together with the related schedules (if any) and notes thereto, present fairly in all material respects the financial position of the Company and its consolidated subsidiaries at the dates indicated and the results of operations, changes in stockholders' equity and cash flows of the Company and its consolidated subsidiaries for the periods specified. Except as set forth in the Offering Memorandum and the General Disclosure Package, all of such financial statements have been prepared in conformity with GAAP, applied on a consistent basis throughout the periods involved and comply in all material respects with all applicable accounting requirements under the 1933 Act and the 1933 Act Regulations, or the 1934 Act and the 1934 Act Regulations, as applicable. The information in the Preliminary Offering Memorandum and the Offering Memorandum under the captions "Summary Selected Historical Consolidated Financial Information" and "Selected Historical Consolidated Financial Information" presents fairly the information shown therein and has been prepared on a basis consistent with that of the audited financial statements of the Company included in the General Disclosure Package and the Offering Memorandum.

(7) No Material Adverse Change in Business. Since the dates for which financial statement information is last given in the Preliminary Offering Memorandum, the General Disclosure Package and the Offering Memorandum (in each case exclusive of any amendments or supplements thereto subsequent to the date of this Agreement), (A) there has been no material adverse change or any development that could reasonably be expected to result in a material adverse change, in the condition (financial or other), results of operations, business, properties or management of the Company and its subsidiaries taken as a whole, whether or not arising in the ordinary course of business (in any such case, a “Material Adverse Effect”); (B) except as otherwise disclosed in the General Disclosure Package and the Offering Memorandum (in each case exclusive of any amendments or supplements thereto subsequent to the date of this Agreement), neither the Company nor any of its subsidiaries has incurred any liability or obligation, direct or contingent, or entered into any transaction or agreement that, individually or in the aggregate, is material with respect to the Company and its subsidiaries taken as a whole, and neither the Company nor any of its subsidiaries has sustained any loss or interference with its business or operations from fire, explosion, flood, earthquake or other natural disaster or calamity, whether or not covered by insurance, or from any labor dispute or disturbance or court or governmental action, order or decree which would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect; and (C) there has been no cash dividend or distribution of any kind declared, paid or made by the Company on any class of its capital stock.

(8) Good Standing of the Company, the Guarantors and Subsidiaries. Each of the Company, the Guarantors and their respective subsidiaries has been duly organized and is validly existing as a corporation, limited liability company, limited company or limited partnership, as applicable, in good standing under the laws of the state of its jurisdiction of organization and has power and authority to own, lease and operate its properties and to conduct its business as described in the Preliminary Offering Memorandum, the General Disclosure Package and the Offering Memorandum and to enter into and perform its obligations under the Transaction Documents. Each of the Company, the Guarantors and their respective subsidiaries is duly qualified as a foreign corporation, limited liability company, limited company or limited partnership, as applicable, to transact business and is in good standing in the state of its principal place of business and in each other jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except (solely in the case of jurisdictions other than its principal place of business) where the failure so to qualify or to be in good standing would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(9) Ownership of Subsidiaries. All of the issued and outstanding shares of capital stock of each subsidiary of the Company that is a corporation, all of the issued and outstanding partnership interests of each subsidiary of the Company that is a limited or general partnership and all of the issued and outstanding limited liability company interests, membership interests or other similar interests of each subsidiary of the Company that is a limited liability company have been duly authorized and validly issued, are fully paid and (except in the case of general partnership interests) non-assessable and are owned by the Company, directly or through subsidiaries, free and clear

Any subsidiaries of the Company which are "significant subsidiaries" as defined by Rule 1-02 of Regulation S-X are listed on Exhibit C hereto under the caption "Material Subsidiaries."

(10) Capitalization. The authorized, issued and outstanding capital stock of the Company, as of June 30, 2019, is as set forth in the column entitled "Actual" and in the corresponding line items under the caption "Capitalization" in the Preliminary Offering Memorandum and the Offering Memorandum. None of the outstanding shares of capital stock of the Company was issued in violation of any preemptive rights, rights of first refusal or other similar rights of any securityholder of the Company or any other person.

(11) No Other Securities of Same Class. When the Securities and Guarantees are issued and delivered pursuant to this Agreement, such Securities and Guarantees will not be of the same class (within the meaning of Rule 144A under the 1933 Act) as securities of the Company or the Guarantors that are listed on a national securities exchange registered under Section 6 of the 1934 Act or that are quoted in a United States automated inter-dealer quotation system.

(12) No Registration. No registration under the 1933 Act of the Securities or the Guarantees, and no qualification of the Indenture under the 1939 Act with respect thereto, is required for the sale of the Securities and the Guarantees to you as contemplated hereby or for the initial resale of Securities by you to the Eligible Purchasers in the manner contemplated by the Preliminary Offering Memorandum and the Offering Memorandum, assuming the accuracy of the Initial Purchasers' representations and warranties in this Agreement and the compliance by the Initial Purchasers with the agreements set forth herein.

(13) No General Solicitation. No form of general solicitation or general advertising within the meaning of Regulation D under the 1933 Act (including, but not limited to, advertisements, articles, notices or other communications published in any newspaper, magazine or similar medium or broadcast over television or radio, or any seminar or meeting whose attendees have been invited by any general solicitation or general advertising) (each, a "General Solicitation") was used by the Company or any of its affiliates or any of its representatives (other than you and the other Initial Purchasers, as to whom the Company and the Guarantors make no representation) in connection with the offer and sale of the Securities.

(14) Regulation S Compliance. The Company is a Category 2 issuer for purposes of Regulation S. No directed selling efforts within the meaning of Rule 902 under the 1933 Act were or will be used by the Company and its subsidiaries or any of their representatives (other than you and the other Initial Purchasers, as to whom the Company and the Guarantors make no representation) with respect to Securities sold in reliance on Regulation S, and the Company, any affiliate of the Company and any person acting on its or their behalf (other than you and the other Initial Purchasers, as to whom the Company and the Guarantors make no representation) has complied with and will comply with the “offering restrictions” required by Rule 902 under the 1933 Act in connection with the offering of Securities outside the United States.

(15) No Integration. Neither the Company, any Guarantor nor any other person acting on behalf of the Company or any Guarantor (other than you and the other Initial Purchasers, as to whom the Company and the Guarantors make no representation) has sold or issued any securities that would be integrated with the offering of the Securities contemplated by this Agreement pursuant to the 1933 Act, the rules and regulations thereunder or the interpretations thereof by the Commission.

(16) Authorization of Agreement. This Agreement has been duly authorized, executed and delivered by the Company and each Guarantor.

(17) Full Power. The Company and each Guarantor has full right, power and authority to execute, deliver and perform its obligations under the Transaction Documents.

(18) The Indenture. The Indenture has been duly authorized by the Company and each Guarantor and, on the Closing Date, will have been duly executed and delivered by the Company and each Guarantor and, assuming due authorization, execution and delivery by the Trustee, will constitute a valid and binding agreement of the Company and each Guarantor, enforceable against the Company and each Guarantor in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, fraudulent conveyance, insolvency, reorganization, moratorium or similar laws affecting enforcement of creditors’ rights generally or by general principles of equity.

(19) The Securities. The Securities have been duly authorized and, at the Closing Date, will have been duly executed by the Company and, when authenticated in accordance with provisions of the Indenture and delivered against payment of the purchase price therefor as provided in this Agreement, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting enforcement of creditors’ rights generally or by general principles of equity, and will be in the form contemplated by, and entitled to the benefits of, the Indenture.

(20) The Guarantees. The Guarantees have been duly authorized and, at the Closing Date, the Indenture (which includes the Guarantees) will have been duly executed by the Guarantors. When the Securities are delivered against payment therefor as provided in this Agreement, and, when authenticated in accordance with provisions of the Indenture, the Guarantees will constitute valid and binding obligations of the Guarantors, except as enforcement thereof may be limited by bankruptcy, fraudulent conveyance, insolvency, reorganization, moratorium or similar laws affecting enforcement of creditors' rights generally or by general principles of equity.

(21) The Senior Credit Facility. The Senior Credit Facility has been duly authorized by the Company and each Guarantor and, on the Closing Date, will have been duly executed and delivered by the Company and each Guarantor and will constitute a valid and binding agreement of the Company and each Guarantor, enforceable against the Company and each Guarantor in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, fraudulent conveyance, insolvency, reorganization, moratorium or similar laws affecting enforcement of creditors' rights generally or by general principles of equity.

(22) Description of the Securities and Agreements. The Securities, the Guarantees and the Indenture conform and will conform in all material respects to the respective statements relating thereto contained in the Preliminary Offering Memorandum, the General Disclosure Package and the Offering Memorandum.

(23) Absence of Defaults and Conflicts. Neither the Company nor any of its subsidiaries is (i) in violation of its Organizational Documents, (ii) in violation of any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their respective assets, properties or operations or (iii) in breach or default (or with or without the giving of notice or the passage of time or both, would be in breach or default) in the performance or observance of any obligation, agreement, covenant or condition contained in any Company Document, except in the case of clauses (ii) or (iii) for such violations, breaches or defaults that would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. The execution, delivery and performance by the Company and the Guarantors of the Transaction Documents and the consummation of the transactions contemplated therein and in the Preliminary Offering Memorandum, the General Disclosure Package and the Offering Memorandum (including the issuance and sale of the Securities and the use of the proceeds from the sale of the Securities as described in the Preliminary Offering Memorandum and the Offering Memorandum under the caption "Use of Proceeds") and compliance by the Company and the Guarantors with their obligations under the Transaction Documents do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default, Termination Event or Repayment Event under, or result in the creation or imposition of any Lien upon any property or assets of the Company or any of its subsidiaries pursuant to, any Company Documents except for any such conflict, breach, default, Termination Event, Repayment Event, or Lien that would not, individually or in the aggregate, reasonably be expected to have a Material

Adverse Effect or as would not materially adversely affect the ability of the Company and the Guarantors to consummate the transactions contemplated herein. Such actions will not result in any violation of (i) the provisions of the Organizational Documents of the Company or any of its subsidiaries or (ii) any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of its or their respective assets, properties or operations except in the case of clause (ii) as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or as would not materially adversely affect the ability of the Company and the Guarantors to consummate the transactions contemplated herein.

(24) Transactions with Related Persons. No relationship, direct or indirect, that would be required to be described in a registration statement of the Company pursuant to Item 404 of Regulation S-K exists, including between or among the Company and its subsidiaries, on the one hand, and the directors, officers, affiliates, stockholders, customers or suppliers of the Company and its subsidiaries, on the other hand, that has not been described in the General Disclosure Package and the Offering Memorandum.

(25) Absence of Labor Dispute. No labor dispute with the employees of the Company or any of its subsidiaries exists or, to the knowledge of the Company or any of its subsidiaries, is imminent.

(26) Absence of Proceedings. There is no action, suit, proceeding, inquiry or investigation before or brought by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Company or its subsidiaries, threatened, against or affecting the Company or any of its subsidiaries (other than as disclosed in the Preliminary Offering Memorandum, the General Disclosure Package or the Offering Memorandum), which could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or to materially and adversely affect the consummation of the transactions contemplated in the Transaction Documents or the performance by the Company or the Guarantors of their obligations under the Transaction Documents.

(27) Description of Legal Matters. The statements made in the General Disclosure Package and the Offering Memorandum under the captions “Description of Notes,” “Description of Certain Other Indebtedness,” “Certain United States Federal Income Tax Considerations” and “Certain ERISA Considerations,” insofar as they purport to constitute summaries of the terms of statutes, rules or regulations, legal or governmental proceedings or contracts or other documents, constitute accurate summaries of the terms of such statutes, rules and regulations, legal and governmental proceedings and contracts and other documents in all material respects.

(28) Solvency. On the Closing Date, after giving pro forma effect to the entry into the Senior Credit Facility and the initial borrowings thereunder, the Offering and the use of proceeds therefrom described under the caption “Use of Proceeds” in the General Disclosure Package and the Offering Memorandum, the Company and each Guarantor (i) will be Solvent (as hereinafter defined), (ii) will have sufficient capital for carrying on its

business and (iii) will be able to pay its debts as they mature. As used in this paragraph, the term “Solvent” means, with respect to a particular date, that on such date (i) the present fair market value (or present fair saleable value) of the assets of the Company and each Guarantor is not less than the total amount required to pay the liabilities of the Company and each Guarantor on its total existing debts and liabilities (including contingent liabilities) as they become absolute and matured; (ii) the Company and each Guarantor is able to pay its debts and other liabilities, contingent obligations and commitments as they mature and become due in the normal course of business; (iii) assuming consummation of the issuance of the Securities as contemplated by this Agreement and the General Disclosure Package and the Offering Memorandum, neither the Company nor any Guarantor is incurring debts or liabilities beyond its ability to pay as such debts and liabilities mature; (iv) neither the Company nor any Guarantor is engaged in any business or transaction, and does not propose to engage in any business or transaction, for which its property would constitute unreasonably small capital after giving due consideration to the prevailing practice in the industry in which the Company or any Guarantor is engaged; and (v) neither the Company nor any Guarantor is otherwise insolvent under the standards set forth in applicable laws.

(29) Possession of Intellectual Property. The Company and its subsidiaries own or possess or have valid and enforceable licenses to use, all patents, patent rights, patent applications, copyrights, inventions, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names, service names, software, internet addresses, domain names and other intellectual property (collectively, “Intellectual Property”) that is described in the General Disclosure Package or the Offering Memorandum or that is necessary for the conduct of their respective businesses as currently conducted, except where the failure to own or possess such rights would not, individually or in the aggregate, have a Material Adverse Effect. Neither the Company nor any of its subsidiaries has received any notice or is otherwise aware of any infringement of or conflict with rights of others with respect to any Intellectual Property or of any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interests of the Company or any of its subsidiaries therein, that would reasonably likely to, individually or in the aggregate, have a Material Adverse Effect.

(30) Absence of Further Requirements. (A) No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency, domestic or foreign, (B) no authorization, approval, vote or consent of any holder of capital stock or other securities of the Company or any Guarantor or creditor of the Company or any of its subsidiaries, (C) no authorization, approval, waiver or consent under any Company Document, and (D) no authorization, approval, vote or consent of any other person or entity, is necessary or required for the execution, delivery or performance by the Company or the Guarantors of their obligations under the Transaction Documents, for the offering, issuance, sale or delivery of the Securities or the Guarantees hereunder, or for the consummation of any of the other transactions contemplated by this Agreement, in each case on the terms contemplated by the General Disclosure Package and the Offering Memorandum, except

(b) Amendments. The Company will give the Representative notice of its intention to prepare any amendment, supplement or revision to the Preliminary Offering Memorandum, the Offering Memorandum or any Issuer Free Writing Document, and the Company will furnish the Representative with copies of any such documents within a reasonable amount of time prior to such proposed use, and will not use any such document to which the Representative or counsel for the Initial Purchasers shall reasonably object in a timely manner. (l) DTC. The Company will use its best efforts to permit the Securities to be eligible for clearance and settlement through DTC.

(m) No Stabilization. The Company, the Guarantors and their respective affiliates will not take, directly or indirectly, any action designed to or that has constituted or that reasonably could be expected to cause or result in the stabilization or manipulation of the price of any security of the Company or the Guarantors in connection with the offering of the Securities.

(n) No Affiliate Resales. (p) No Integration. The Company will not, and will ensure that no affiliate of the Company will, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any "security" (as defined in the 1933 Act) that would be integrated with the sale of the Securities in a manner that would require the registration under the 1933 Act of the sale to the Initial Purchasers or to the Eligible Purchasers of the Securities.

If this Agreement is terminated by the Representative in accordance with the provisions of Section 5, Section 9(a)(i), Section 9(a)(iii) or Section 10 hereof, the Company and the Guarantors, jointly and severally, will reimburse the Initial Purchasers (but in the case of any termination in accordance with Section 10, only the non-defaulting Initial Purchasers) for all of their out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Initial Purchasers.

SECTION 5. Conditions of Initial Purchasers' Obligations

The obligations of the several Initial Purchasers hereunder are subject to the accuracy, on the date hereof and at the Closing Date, of the representations and warranties of the Company and the Guarantors contained in this Agreement, or in certificates signed by any officer of the Company, any Guarantor or any subsidiary of the Company (whether signed on behalf of such officer, the Company or such subsidiary) delivered to the Representative or counsel for the Initial Purchasers, to the performance by the Company and the Guarantors of their respective covenants and other obligations hereunder, and to the following further conditions:

(g) DTC Eligibility. The Securities shall be eligible for clearance and settlement through DTC.

(h) Transaction Documents. At the Closing Date, counsel for the Initial Purchasers shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, contained in this Agreement, or as the Representative or counsel for the Initial Purchasers may otherwise reasonably request.

(j) Termination of Agreement. If any condition specified in this Section 5 shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Representative by notice to the Company and the Guarantors at any time on or prior to the Closing Date and such termination shall be without liability of any party to any other party except as provided in Section 4 hereof and except that Sections 1, 4(b), 6, 7, 8, 11, 12, 13, 14, 15, 17, 18 19 and 20 hereof shall survive any such termination of this Agreement and remain in full force and effect.

SECTION 6. Indemnification.

(a) Indemnification by the Company and the Guarantors. The Company and each Guarantor agree, jointly and severally, to indemnify and hold harmless each Initial Purchaser, its affiliates, and its and their officers, directors, employees, agents, partners and members and each person, if any, who controls any Initial Purchaser within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of or based upon any untrue statement or alleged untrue statement of a material fact in the Preliminary Offering Memorandum, any Issuer Free Writing Document, the General Disclosure Package or the Offering Memorandum (or any amendment or supplement to any of the foregoing), or in any materials, presentations or information provided to investors by, or with the approval of, the Company or any Guarantor in connection with the marketing of the offering of the Securities, including any road show or investor presentations made to investors by the Company (whether in person or electronically), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of, or pursuant to a judgment or other disposition in, any litigation, or any investigation or proceeding by any governmental or self-regulatory agency or body, commenced or threatened, or of any claim whatsoever arising out of or based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company and the Guarantors; and

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental or self-regulatory agency or body, commenced or threatened, or any claim whatsoever arising out of or based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above,

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of or based upon any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information about any Initial Purchaser furnished to the Company or any Guarantor by such Initial Purchaser through the Representative expressly for use in the Preliminary Offering Memorandum, any Issuer Free Writing Document, the General Disclosure Package or the Offering Memorandum (or in any amendment or supplement to any of the foregoing), it being understood and agreed that the only such information furnished by the Initial Purchasers as aforesaid consists of the information described as such in Section 6(b) hereof.

(b) Indemnification by the Initial Purchasers. Each Initial Purchaser agrees, severally and not jointly, to indemnify and hold harmless the Company, the Guarantors, their respective directors and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section 6, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Preliminary Offering Memorandum, any Issuer Free Writing Document, the General Disclosure Package or the Offering Memorandum (or any amendment or supplement to any of the foregoing), in reliance upon and in conformity with written information relating to such Initial Purchaser furnished to the Company or any Guarantor by such Initial Purchaser through the Representative expressly for use therein. The Company and the Guarantors hereby acknowledge and agree that the information furnished to the Company and any Guarantor by the Initial Purchasers through the Representative expressly for use in the Preliminary Offering Memorandum, any Issuer Free Writing Document or the Offering Memorandum (or any amendment or supplement to any of the foregoing), consists exclusively of the following information appearing under the caption "Plan of Distribution" in the Preliminary Offering Memorandum and the Offering Memorandum: (i) the information regarding stabilization, syndicate covering transactions and penalty bids appearing in the first sentence of the ninth paragraph under such caption (but only insofar as such information concerns the Initial Purchasers) and (ii) the information regarding market making by the Initial Purchasers appearing in the fourth sentence of the seventh paragraph under such caption.

(c) Actions Against Parties; Notification Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder; provided, however, that the failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability that it may have under this Section 6, except to the extent that it has been materially prejudiced by such failure. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it

and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 6 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to local counsel) representing the indemnified parties who are parties to such action (which separate counsel shall be selected by (x) the Representative, in the case of counsel representing the Initial Purchasers or their related persons or (y) the Company, in the case of counsel representing the Company and the Guarantors or their respective related persons)) or (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(d) Settlements. The indemnifying party under this Section 6 shall not be liable for any settlement of any proceeding effected without its written consent, which will not be unreasonably withheld, but if settled with such consent or if there be a final judgment, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. Counsel to the indemnified parties shall be selected as follows: counsel to the Initial Purchasers and the other indemnified parties referred to in Section 6(a) above shall be selected by Wells Fargo and counsel to the Company and the Guarantors, their respective directors, each of their respective officers and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall be selected by the Company and the Guarantors. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying party be liable for the fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for the Initial Purchasers and the other indemnified parties referred to in Section 6(a) above; and the fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for the Company and the Guarantors, their respective directors, each of their respective officers and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, in each case in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(e) Settlement Without Consent if Failure to Reimburse. If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this Section 6, such indemnifying party agrees that it shall be liable for any settlement contemplated by Section 6(a) effected without its written consent if all of the following exist (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request (and the indemnifying party has not objected within such 45-day period to such settlement), (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement or shall not have disputed in good faith the indemnified party's entitlement to such reimbursement.

SECTION 7. Contribution.

If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors on the one hand and the Initial Purchasers on the other hand from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Guarantors on the one hand and of the Initial Purchasers on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company and the Guarantors on the one hand and the Initial Purchasers on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the Guarantors and the total discounts and commissions received by the Initial Purchasers, in each case as determined pursuant to this Agreement, bear to the aggregate initial offering price of the Securities as set forth on the cover of the Offering Memorandum.

The relative fault of the Company and the Guarantors on the one hand and the Initial Purchasers on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or the Guarantors on the one hand or by the Initial Purchasers on the other hand and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 7, no Initial Purchaser shall be required to contribute any amount in excess of the amount by which the total discounts and commissions from the sale to Eligible Purchasers of the Securities initially purchased by it exceeds the amount of any damages which such Initial Purchaser has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each affiliate, officer, director, employee, partner and member of each Initial Purchaser and each person, if any, who controls any Initial Purchaser within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as such Initial Purchaser, and each director of the Company and of each Guarantor, each officer of the Company and of each Guarantor, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company and the Guarantors. The Initial Purchasers' respective obligations to contribute pursuant to this Section 7 are several in proportion to the principal amount of Securities set forth opposite their respective names in Exhibit A hereto and not joint.

SECTION 8. Representations, Warranties and Agreements to Survive Delivery.

All representations, warranties and agreements contained in this Agreement or in certificates signed by any officer of the Company or any of its subsidiaries (whether signed on behalf of such officer, the Company, or such subsidiary) and delivered to the Representative or counsel to the Initial Purchasers, shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Initial Purchaser, its affiliates and any of their any officers, directors, employees, partners, members or agents of any Initial Purchaser or any person controlling any Initial Purchaser, or by or on behalf of the Company, any Guarantor, any officer, director or employee of the Company or any Guarantor or any person controlling the Company or any Guarantor, and shall survive delivery of and payment for the Securities.

SECTION 9. Termination of Agreement.

(a) Termination: General. The Representative may terminate this Agreement, by notice to the Company and the Guarantors, at any time on or prior to the Closing Date (i) if there has been, at any time on or after the date of this Agreement or since the respective dates as of which information is given in the General Disclosure Package or the Offering Memorandum (in each case exclusive of any amendments or supplements thereto subsequent to the date of this Agreement), any material adverse change or any development that could reasonably be expected to result in a material adverse change, in the condition (financial or other), results of operations, business, properties or management of the Company and its subsidiaries taken as a whole, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any declaration of a national emergency or war by the United States, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions (including, without limitation, as a result of terrorist activities), in each case the effect of which is such as to make it, in the judgment of the Representative, impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities or to enforce contracts for the sale of the Securities on the terms and in the manner contemplated in the General Disclosure Package and the Offering Memorandum, or (iii) (A) if trading in any securities of the Company has been suspended or materially limited by the Commission or the Nasdaq Global Market, or (B) if trading generally on the NYSE, the Nasdaq Global Select Market or the Nasdaq Global Market has been suspended or limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by order of the Commission or any other governmental authority, or (C) if a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States or in Europe, or (iv) if a banking moratorium has been declared by either Federal or New York authorities or (v) if there shall have occurred, on or after the date of this Agreement, any downgrading in the rating of any debt securities of or guaranteed by the Company or any Guarantor, any preferred stock of any Guarantor or any debt securities, preferred stock or trust preferred securities of any subsidiary or subsidiary trust of the Company by any “nationally recognized statistical rating organization” (as defined by the Commission in Section 3(a)(62) of the 1934 Act) or any public announcement that any such organization has placed its rating on the Company or any Guarantor or any such debt securities, preferred stock or other securities under surveillance or review or on a so-called “watch list” (other than an announcement with positive implications of a possible upgrading, and no implication of a possible downgrading, of such rating) or any announcement by any such organization that the Company or any Guarantor or any such debt securities, preferred stock or other securities has been placed on negative outlook.

(b) Liabilities. If this Agreement is terminated pursuant to Section 5 or this Section 9, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and except that Sections 1, 4(b), 6, 7, 8, 11, 12, 13, 14, 15, 17, 18, 19 and 20 hereof shall survive such termination and remain in full force and effect.

SECTION 10. Default by One or More of the Initial Purchasers

(a) If one or more of the Initial Purchasers shall fail at the Closing Date to purchase the aggregate principal amount of Securities which it or they are obligated to purchase under this Agreement (the "Defaulted Securities"), the Representative shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Initial Purchasers, or any other purchaser, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representative shall not have completed such arrangements within such 24-hour period, then:

(i) if the aggregate principal amount of Defaulted Securities does not exceed 10% of the aggregate principal amount of Securities, each of the non-defaulting Initial Purchasers shall be obligated, severally and not jointly, to purchase the full amount of such Defaulted Securities in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Initial Purchasers; or

(ii) if the number of Defaulted Securities exceeds 10% of the aggregate principal amount of Securities, this Agreement shall terminate without liability on the part of any non-defaulting Initial Purchaser.

No action taken pursuant to this Section 10 shall relieve any defaulting Initial Purchaser from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement, the Representative shall have the right to postpone the Closing Date for a period not exceeding seven days in order to effect any required changes in the General Disclosure Package or Offering Memorandum or in any other documents or arrangements. As used herein, the term "Initial Purchaser" includes any person substituted for an Initial Purchaser under this Section 10.

SECTION 11. Notices

All notices and other communications hereunder shall be in writing, shall be effective only upon receipt and shall be mailed, delivered by hand or overnight courier, or transmitted by fax (with the receipt of any such fax to be confirmed by telephone). Notices to the Initial Purchasers shall be directed to the Representative at Wells Fargo Securities, LLC, 301 S. L.107-56 (signed into law October 26, 2001)), the Initial Purchasers are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Initial Purchasers to properly identify their respective clients.

SECTION 12. Parties

This Agreement shall each inure to the benefit of and be binding upon the Initial Purchasers, the Company, the Guarantors and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Initial Purchasers, the Company, the Guarantors and their respective successors and the controlling persons and other indemnified parties referred to in Sections 6 and 7 and their successors, heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Initial Purchasers, the Company, the Guarantors and their respective successors, and said controlling persons and other indemnified parties and their successors, heirs and legal representatives, and for the benefit of no other person or entity. No purchaser of Securities from any Initial Purchaser shall be deemed to be a successor by reason merely of such purchase.
